Authorization and Payment of Bond

SECTION 3. That for the purpose of financing a portion of the cost of the Project there shall be and there is hereby authorized to be issued by the Issuer its Economic Development Library Revenue Bond, Series 1980 (The Newberry Library Project), in the principal amount of $5,000,000, dated the date of its delivery, lettered R and numbered 1, payable to the order of The First National Bank of Chicago, or its assigns, maturing in 16 consecutive quarterly principal installments consisting of (i) 15 consecutive equal quarterly principal installments of $312,500, payable on February 1, 1984, and on the first day of each February, May, August and November thereafter to and including August 1, 1987, and (ii) a final quarterly principal installment of $312,500, payable on November 1, 1987, and bearing interest from the date of the Bond on the unpaid principal balance thereof at the rate of sixty-five percent (65%) of the Corporate Base Rate, changing as and when the Corporate Base Rate changes, payable on February 1, 1981, and on the first day of each February, May, August and November thereafter until paid, except as the provisions hereinafter set forth with respect to redemption prior to maturity may become applicable thereto. Interest shall be computed on the basis of a calendar year of 365 days and charged on a daily basis.

The principal installments of and interest on the Bond shall be payable to The First National Bank of Chicago or its assigns in lawful money of the United States of America at the principal office of the Bank in the City of Chicago, Illinois. The Bank shall note on the Payment Record attached as Schedule A to the Bond the date and amount of payment of each principal installment (whether at maturity or upon redemption or acceleration) and interest then being paid and of principal installments (whether at maturity or upon redemption or acceleration) and interest theretofore paid and not yet noted thereon and, upon request of the Company or the Issuer, the Bond shall be made available by the holder for inspection by the Company or the Issuer at the principal office of the Bank in the City of Chicago, Illinois. At least annually, the Bank shall notify the Issuer and the Company of the payment of the principal installments of the Bond (whether at maturity or upon redemption or acceleration) and shall include in such notification a statement of the unpaid balance of the Bond.

The Bond, together with interest thereon, shall be a limited obligation of the Issuer secured by the Agreement and the Note, and shall be payable solely from the revenues and receipts derived from the Agreement and the Note (except to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof), and shall be a valid claim of the owner thereof only against the Bond Fund and other moneys held by the Bank and the revenues and receipts derived from the Agreement and the Note, which revenues and receipts shall be used for no other purpose than to pay the principal installments of and interest on the Bond, except as may be expressly authorized otherwise in this Ordinance and in the Agreement. The Bond and the obligation to pay interest thereon does not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision, but shall be secured as aforesaid, and is payable solely from the revenues and receipts from the Agreement and the Note (except as stated aforesaid).

The principal installments of the Bond shall be subject to redemption prior to maturity if the Company exercises its option to prepay the Note or a portion thereof pursuant to Section 7.1 of the Agreement, on any interest payment date, in whole, or in part by installment in the inverse order of maturity of the principal installments of the Bond, at a redemption price of par plus accrued interest to the date fixed for redemption and without premium.

Upon the receipt by the Issuer and the Bank of at least 30 days' prior written notice from the Company specifying a date for the prior redemption of principal installments of the Bond and the principal installments thereof to be so redeemed, the Bank shall, to the extent that amounts are or become available therefor in the Bond Fund, redeem the principal installments of the Bond in accordance with the preceding paragraph. All principal installments of the Bond designated for prior redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the Bank on such date.

The Bond may be prepared in typewritten, printed or engraved form.

The Bond shall be signed by the Mayor by her manual or facsimile signature, attested by the manual signature of the City Clerk of the Issuer, and countersigned by the manual or facsimile signature of the City Comptroller of the Issuer, and the corporate seal of the Issuer shall be affixed thereto. In case any official whose signature shall appear on the Bond shall cease to be such official before the delivery of the Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

In the event the Bond is mutilated, lost, stolen or destroyed, the Issuer may execute a new Bond of like date, tenor and maturity as the Bond mutilated, lost, stolen or destroyed, provided that, in the case the Bond is mutilated, such mutilated Bond shall first be surrendered to the Issuer, and in the case the Bond is lost, stolen or destroyed, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate on the Payment Record of the new Bond replacing the mutilated, lost, stolen or destroyed Bond all payments of principal (whether at maturity or upon redemption or acceleration) and interest which the Issuer's records indicate as having appeared on the mutilated, lost, stolen, or destroyed Bond. In the event all the principal installments of the Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof. The Issuer may charge the holder or owner of the Bond with reasonable fees and expenses in this connection.

In any case where the date of maturity of interest on or any principal installment of the Bond or the date fixed for redemption of any principal installment or installments of the Bond shall be in the City where the principal office of the Bank is located, a Sunday or a legal holiday or a day on which banking institutions are authorized by law to remain closed, then the payment of principal installments or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, but interest on the Bond shall accrue until paid.

No delay or omission to exercise any right, power or remedy accruing upon any event of default hereunder shall impair any such right, power or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right, power and remedy may be exercised from time to time as often as may be deemed expedient.

All moneys received pursuant to any right given or action taken under the provisions of this Section or under the provisions of Article VI of the Agreement (after payments of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer of the Bank acting on its own behalf as the owner of the Bond or on behalf of any other owner of the Bond), shall be deposited in the Bond Fund. Upon any acceleration of the Bonds, all such moneys in the Bond Fund (including any moneys transferred from the Construction Fund) shall be applied to the payment of the principal and interest due and unpaid upon the Bond to the person entitled thereto.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Bank shall determine. The Bank shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

Whenever all principal installments of and interest on the Bond have been paid under the provisions of this Section and all expenses of the Bank and the Issuer have been paid, any balance remaining in the Bond Fund shall be paid to the Company pursuant to Section 9.5 of the Agreement.

With regard to any default concerning which notice is given to the Company under the provisions of this Section, the Issuer hereby grants the Company full authority for account of the Issuer to perform or observe any covenant or obligation alleged in said notice not to have been performed or observed, in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do in order to remedy such default.

Tenant shall pay to Continental immediately upon the execution of this Sublease Agreement the sum of $ see attached invoice, which sum constitutes the difference between the amount Tenant has paid to Continental for Tenant's use and enjoyment of the Leased Space from and after the date of this Sublease Agreement and the amount now due and owing from Tenant to Continental as rental under the terms of this Sublease Agreement.

5. *Basic lease extension and option to extend Sublease Agreement.*

A. Continental shall promptly seek a ten (10) year extension to the Basic Lease on terms satisfactory to it. The grant of such an extension by the City shall not affect the terms of this Sublease Agreement, but shall constitute a condition precedent to Continental's obligation to grant to Tenant the option to extend this Sublease Agreement as hereinbelow described. Continental shall have the sole right to determine whether it is satisfied or dissatisfied with the terms of the Basic Lease extension according to its own subjective standards, regardless of objective criteria or the opinion of others.

B. If City grants and Continental accepts an extension of the term of the Basic Lease, Tenant shall have an option to extend this Sublease Agreement for the term of the extension of the Basic Lease or ten (10) years, whichever is less. Such renewal option shall be for not less than the entire Leased Space on all of the terms and provisions of this Sublease Agreement and the Basic Lease, as amended to include the option to extended, provided (i) Tenant shall have no other right to extend the term of the Sublease Agreement beyond the extended term, and (ii) Continental's and Tenant's rental and financial obligations with respect to such Basic Lease and this Sublease Agreement during the extended term of this Sublease Agreement shall be as provided in subparagraph C below. Tenant shall exercise its option to extend this Sublease Agreement by giving Continental notice of intent to do so on or before April 30, 1987; provided, however, that if Tenant is in default at the date of the giving of such option notice, or this Sublease Agreement is not otherwise in full force and effect. the option notice shall be totally ineffective or, if Tenant is in default on the date as of which the extended term is to commence, such extended term shall not commence and this Sublease Agreement shall expire at the end of the initial term.

C. During the extended term of this Sublease Agreement, if any, Tenant shall pay to Continental, for the Sublease Agreement and use of the Leased Space, facilities, and rights subleased hereunder, Tenant's "pro-rata share" of the following Continental Air Cargo Facility rentals, fees, costs, and charges (hereinafter collectively referred to as the "Use and Operating Costs").

(1) The term "pro-rata share" to be paid by Tenant shall be deemed to mean the product derived by multiplying the total Continental Air Cargo Facility Use and Operating Costs by a fraction, the numerator of which is the Exclusive Space subleased to Tenant hereunder and the denominator of which is the amount of space available to be subleased for the exclusive use of all sublessees, plus the space exclusively occupied by Continental in the Continental Air Cargo Facility, excluding all such space used for Continental Air Cargo Facility management, maintenance, and general support for the benefit of Continental and all sublessees.

On or before September 30, of each year, beginning in 1987, Continental shall notify Tenant of Tenant's pro-rata share of the Use and Operating Costs estimated for the twelve (12) month period beginning on the next ensuing December 1. Beginning on each such December 1, and on the first day of each of the next eleven months, Tenant shall pay to Continental one-twelfth (1/12) of the amount estimated by Continental to be Tenant's pro-rata share of the Use and Operating Costs for that twelve (12) month period. Following Continental's determination of the actual Use and Operating Costs at the end of each successive twelve (12) month period during the extended term, Continental shall notify Tenant of any additional amounts owing, and Tenant shall promptly pay upon receipt of invoice such additional amounts to Continental. If Tenant's pro-rata payments for such twelve (12) month period exceed the actual Use and Operating Costs for such period, such excess shall be credited to Tenant's future Use and Operating Cost payment obligations.

In addition to its obligations as set forth above. Tenant shall promptly pay to Continental upon receipt of invoice, its pro-rata share of all Continental Air Cargo Facility maintenance, renewal, and replacement costs and costs incurred in connection with capital improvements undertaken for the benefit of all sublessees.

(2) The term "Use and Operating Costs" shall be deemed to mean any and all costs, expenses, assessments, and other impositions, general and special, ordinary and extraordinary, of every kind and nature whatsoever which are attributable to the operation and maintenance of the entire Continental Air Cargo Facility and Common Space incurred or paid by or on behalf of Continental including, without limitation, maintaining, operating, managing and general administration, renewing, replacing, and repairing. with respect to the entire Continental Air Cargo Facility and Common Space. The term "Use and Operating Cost" shall be applied in the context of this Sublease Agreement to the full extent necessary to produce revenues to Continental in an amount which shall fully reimburse Continental for all costs and expenses attributable to the operation and maintenance of the entire Continental Air Cargo Facility and Common Space. No credit, deduction, or offset of Tenant's obligation to fully reimburse Continental shall be permitted (whether provided in other provisions of this Sublease Agreement or not) and such costs and expenses shall include, without limiting the generality of the foregoing, all rents, taxes, premiums, maintenance, and other charges paid or incurred by or on behalf of Continental under the Basic Lease. Tenant shall have the right to inspect the Landlord's books and records pertaining to such Use and Operating Costs. Such inspection may be performed not more often than once per year upon reasonable notice and at a reasonable time.

6. *Tax and insurance assessment.*

In addition to the rental due and payable hereunder, the Tenant shall pay to Continental an annual assessment as and for insurance and taxes computed as follows:

A. For each and every year during the term hereof, from the aggregate of (i) all ad valorum taxes, including personal property taxes, and special assessments due and payable with respect to the Continental Air Cargo Facility during said year, and (ii) the annual premiums paid by Continental for the fire and extended coverage insurance maintained by Continental during said year pursuant to paragraph 12 hereof. there shall be deducted the sum of $40,000. The remainder therefrom is hereinafter called the "Annual Assessment".

B. The Tenant shall pay to Continental upon invoice its proportionate share of the Annual Assessment as determined by the ratio between (i) the average amount of the Exclusive Space subleased to the Tenant in the Continental Air Cargo Facility during such year, and (ii) the average aggregate amount of space available to be subleased for the exclusive use of all sublessees of, plus the space exclusively occupied by Continental in, the Continental Air Cargo Facility during the same year.

C. Within sixty (60) days from the end of each and every year during the term hereof, Continental shall compute the proration of the Annual Assessment described in subparagraph B of this paragraph 6 and shall invoice the Tenant for its amount of such proration. Payment of the proration shall be due within twenty (20) days of receipt of invoice.

D. Continental agrees to keep and maintain books and records of the insurance and ad valorum tax expenses incurred with respect to the operation of the Continental Air Cargo Facility, and shall submit an annual report to the Tenant in summary thereof accompanying the invoice described in subparagraph C of this paragraph 6.

7. *Subordination.*

This Sublease Agreement is subject and subordinate to all procured or underlying leases and to all mortgages which may now or hereafter affect such leases or the real property of which the Leased Space forms a part, and all renewals, modifications, consolidations, replacements, and extensions thereof. This provision shall be self-operative and no further instrument of subordination shall be required by any mortgagee. In confirmation of such subordination, the Tenant shall execute promptly any certificate that Continental may request, and the Tenant hereby constitutes and appoints Continental as the Tenant's attorney-in-fact to execute and deliver any such certificate or certificates for and on behalf of the Tenant. However, so long as the Tenant is not in default in the payment of rental or in the performance of any of the obligations of the Tenant created hereunder, during the term hereof the Tenant shall have quiet and peaceable possession, use, and enjoyment of the Exclusive Space.

Notwithstanding the foregoing, this Sublease Agreement and the promises and covenants contained herein are subject and subordinate to the Basic Lease, a copy of which has been given to the Tenant; and the Tenant hereby covenants and agrees, for the benefit of Continental and the City, that it shall not, by its use and occupancy of the Leased Space, violate any of the provisions of the Basic Lease and that it shall faithfully perform all of the obligations of the Lessee thereunder insofar, but only insofar, as such obligations relate and pertain to the Leased Space (provided, however, that nothing herein contained shall obligate the Tenant to perform any obligation imposed upon Continental hereunder or to pay rental unto the City, which obligations shall be the sole responsibility of Continental).

8. *Services and Utilities*

Continental shall furnish, without additional cost or expense to Tenant, the services and utilities set forth below; provided, however, Continental shall not be liable for any loss or damage caused by or resulting from any variation, interruption, or failure of said services and utilities arising out of any cause whatever, except if such loss or claim arises exclusively from Landlord's sole gross negligence or wilful misconduct toward Tenant, but in the event any such variation, interruption, or failure of said services and utilities shall occur, Continental shall use its best reasonable efforts, exercising due diligence, to cause the resumption of such utilities and services:

A. Potable domestic water in both the Exclusive Space and the Common Space, and sanitary sewer water in the Exclusive Space stubbed to the locations designated by Tenant.

B. Lighting for the Common Space, including, without limitation, such loading dock, ramp, taxiway, and parking lot lighting as Continental shall determine adequate for the common use of the occupants of the Continental Air Cargo Facility.

C. Snow removal from the Common Space, including the loading dock, ramp, taxiway, and parking lot, as required.

D. The gas, electrical, and ventilation systems in the Continental Air Cargo Facility stubbed to the exterior of Tenant's Exclusive Space. All additional gas and electrical fixtures, equipment, and appliances required by the Tenant with respect to the Continental Air Cargo Facility shall be procured and installed by the Tenant at its own cost and expense. All electricity used or consumed by the Tenant, including that used for lighting, shall be separately metered and the cost thereof, including utility connecting charges and deposits, if any, shall be paid entirely by the Tenant. The gas used or consumed at the Continental Air Cargo Facility shall not be separately metered and Continental shall pay the monthly charges therefor, but the Tenant shall reimburse Continental monthly upon invoice for that portion of the gas deemed to have been used or consumed on behalf of the Tenant, including gas used or consumed for heating, as determined by allocating to the Tenant that portion of each monthly gas bill which is equal to the amount of Exclusive Space leased to the Tenant in the Continental Air Cargo Facility during the month to which the gas bill relates as compared with (i) the total amount of space subleased for the exclusive use of all sublesses in the Continental Air Cargo Facility during such month and (ii) the amount of space exclusively occupied by Continental in the Continental Air Cargo Facility during such month.

Continental shall not provide waste disposal service, the responsibility for which shall be the Tenant's; and Tenant agrees to cause the disposal of all waste, debris, and trash attributed to the Tenant, its officers, employees, agents, business invitees, and guests, at such intervals as shall be necessary to keep and maintain the Continental Air Cargo Facility in a clean, sightly, sanitary, and tenantable condition.

9. *Maintenance and Repair.*

A. In addition to the services and utilities to be provided by Continental pursuant to paragraph 8 above, Continental shall maintain and keep the Continental Air Cargo Facility in a tenantable condition and in a good state of repair as follows:

(1) Continental shall maintain and repair all Common Space located at the Continental Air Cargo Facility, including, without limitation, the loading dock, ramp, taxiway, parking lot, and lighting system for the Common Space.

(2) Except to the extent the Tenant is required to perform such maintenance and repair pursuant to the provisions of subparagraph B of this paragraph 9, Continental shall maintain and repair the Continental Air Cargo Facility structure in a workmanlike manner in accordance with good standard building practice.

(3) Except to the extent the Tenant is required to perform such maintenance and repair pursuant to the provision of subparagraph B of this paragraph 9, Continental shall maintain and repair all systems installed by Continental in the Continental Air Cargo Facility pursuant to the plans and specifications for the Continental Air Cargo Facility and the provisions of paragraph 8 hereof.

B. The Tenant shall maintain and keep the Continental Air Cargo Facility in a tenantable condition and a good state of repair as follows:

(1) The Tenant shall perform all routine maintenance of the Exclusive Space, including such cleaning and janitorial service as shall be necessary, so as to keep and at all times maintain the Exclusive Space in a clean, sightly, sanitary, and tenantable condition.

(2) The Tenant shall maintain and keep in a good state of repair all equipment, appliances, fixtures, and furnishings installed or brought upon the Leased Space by the Tenant.

(3) The Tenant shall perform all maintenance and repair of the portion of the Continental Air Cargo Facility located within the Leased Space, or systems located therein, required as a result of or attributed to any negligent act or omission of the Tenant, its officers, employees, agents, business invitees, or guests. Landlord shall reimburse Tenant from any applicable insurance proceeds received by Landlord based upon a claim arising under this Subparagraph (3).

C. In the event the Tenant fails to perform, for a period of twenty (20) days after notice from Continental so to do, any obligation of the Tenant set forth in this paragraph 9, Continental may enter upon the Leased Space (without causing or constituting a termination of this Sublease Agreement and without causing or constituting an interference with the use or possession of the Leased Space by the Tenant) and do all things necessary to perform such obligation, charging to the Tenant the cost and expense thereof and the Tenant agrees to pay Continental such charge in addition to any other amounts payable by the Tenant hereunder; provided, however, if the Tenant's failure to perform any such obligation endangers the safety or use of the Continental Air Cargo Facility by the public, Continental, or the other tenants of the Continental Air Cargo Facility, and Continental so states in its notice to the Tenant, Continental may perform such obligation of the Tenant at any time after the giving of such notice and charge to the Tenant, and the Tenant shall pay, as above provided the cost and expense of such performance.

10. *Fixtures and alterations.*

The Tenant may, with the prior written approval of Continental, which approval shall not be unreasonably withheld or delayed, and, if requested by Continental, with the prior written approval of the Commissioner of Aviation and the Commissioner of Public Works of the City, and after obtaining all requisite building or construction licenses or permits, at its own cost and expense, erect or install in or upon the Exclusive Space any machinery, equipment, appliances, fixtures, or improvements or do or make any alterations or remodeling, or perform interior decorating. Any machinery, equipment, appliances, fixtures, improvements, and other property bought, installed, erected, or placed by the Tenant in, on, or about the Exclusive Space shall be deemed to be personalty and remain the property of the Tenant, and the Tenant shall have the right, at any time during the term of this Sublease Agreement, to remove any or all of its property, subject to the Tenant's obligation to repair damage, if any, resulting from such removal. The Tenant shall, upon cancellation or termination of this Sublease Agreement, or at any other time it removes any such property, restore the Exclusive Space leased hereunder to the condition as it existed at the beginning of the term hereof, ordinary wear and tear and damage by fire or other casualty covered by the insurance described in paragraph 12 hereof excepted.

11. *Indemnity.*

The Tenant covenants and agrees at all times to indemnify and hold Continental harmless from and against any and all claims, suits, demands, liabilities, judgments, loss, costs, damages, penalties for violation of any law, ordinance, or regulations affecting Tenant's operations, and expenses of any nature whatsoever (including the cost of investigating and defending any alleged suits, claims, demands, liability, judgments, loss, costs, damages, penalties, and expenses, and attorney's fees and expenses incurred in connection therewith) which may directly or indirectly arise from or be claimed against Continental by any person or persons for any loss of or damage to property, or injury to, including death, of any person whomsoever, consequent upon, or arising from or out of the operation, use, or occupancy of the Leased Space by the Tenant, its officers, employees, agents, business invitees, or guests, or resulting from the carelessness, negligence, or improper conduct of the Tenant, its officers, employees, agents, business invitees, or guests in the use and occupancy of the Leased Space, except when any such claim, suit, demand, liability, judgment, loss, cost, damage, penalty, or expense is the direct result of the sole negligence of Continental, its officers, employees, agents, business invitees, or guests, or the joint negligence of Continental and any person, firm, or corporation other than the Tenant, its officers, agents, employees, business invitees, and guests.

In addition thereto, the Tenant agrees to indemnify and hold the City harmless from and against all liabilities, judgments, costs, damages, penalties, and expenses which may accrue against, be charged to or recoverable from the City by reason or on account of damage of the property of, injury to, or death of any person, arising from the Tenant's use and occupancy of the Leased Space, and operations at the Airport, including acts of its agents, contractors, and subcontractors, except when caused by the sole negligence of the City or by the joint negligence of the City and any person other than the Tenant, its agents, contractors, and subcontractors.

12. *Fire insurance and restoration.*

Continental shall obtain and maintain in full force and effect at all times during the term hereof, or any extension or renewal thereof, a policy or policies of fire and extended coverage insurance covering the Continental Air Cargo Facility in an aggregate amount not less than eighty percent (80%) of the full insurable value thereof.

If, during the term hereof, or any extension or renewal thereof, the Continental Air Cargo Facility shall be destroyed or damaged in whole or in part by fire or other cause, Continental shall promptly cause the same to be repaired, replaced, and rebuilt, with and to the extent of the insurance proceeds available, at least to the extent of the value and as nearly as possible to the character of the Continental Air Cargo Facility existing immediately prior to such occurrence. Rental otherwise due and payable hereunder shall be ratably abated with respect to that portion of the Exclusive Space, if any, rendered untenantable as a result of such occurrence for and during the period of time Continental is restoring or rebuilding the Continental Air Cargo Facility subsequent to such damage or destruction, unless such damage or destruction is due to any malfeasance, misfeasance, or non feasance of the Tenant, its officers, employees, agents, business invitees, or guests. Nothing contained herein shall be deemed to create any obligation upon Continental to carry and maintain insurance coverage on any of the equipment, furnishings, and contents located within the Leased Space including, without limitation, ground equipment, air cargo, and air cargo handling equipment, all of which shall be the sole liability and responsibility of the Tenant.

13. *Insurance.*

The Tenant further covenants and agrees that, during the term of this Sublease Agreement, it will procure and maintain in full force and effect, at its own cost and expense, policies of insurance of the types and minimum amounts set forth below issued by a company or companies of sound and adequate financial strength acceptable to Continental and the City and naming Continental and the City as additional assureds thereunder.

Aircraft Public Liability and Property Damage

$3,000,000 single limit

Comprehensive Public Liability and

Property Damage

$3,000,000 single limit.

All such insurance shall be evidenced by a certificate or certificates of insurance delivered to Continental, shall contain a thirty (30) day notice of cancellation clause, and shall contain a provision waiving rights of subrogation against Continental and the City.

14. *Rules and regulations.*

The Tenant shall at all times observe and obey all rules and regulations governing the conduct and operation of the Airport (as the same apply to the Continental Air Cargo Facility, and the Tenant's use and occupancy thereof) promulgated from time to time by the City. In addition thereto, Continental shall have the right at any time, and from time to time, to establish, modify, and enforce reasonable rules and regulations with respect to the Continental Air Cargo Facility and the cargo area adjacent thereto, and the Tenant shall faithfully observe and obey all such rules and regulations; provided, however, such rules and regulations shall not be inconsistent with any applicable rules and regulations promulgated by the City.

15. *Assignment or sublease.*

The Tenant may assign and delegate this Sublease Agreement and the rights and obligations created hereunder to any corporation into or with which the Tenant may hereafter merge or consolidate, or which may succeed to the business and assets of the Tenant. The Tenant may further assign and delegate or sublease this Sublease Agreement, the rights and obligations created hereunder, and the premises leased hereby, to any wholly-owned subsidiary or affiliated corporation of the Tenant, in which event the Tenant shall remain primarily liable for the payment of rentals and the performance of all the other obligations of the Tenant created hereunder. Except as provided above, this Sublease Agreement and the rights and obligations created hereunder shall not be assignable or delegable by the Tenant, and any attempt to so assign or delegate shall be null and void.

With the prior written consent of Continental and the City, the Tenant may sublease the Exclusive Space at a monthly rental rate not to exceed an amount equal to the Tenant's expenses with respect to the Exclusive Space so subleased and facilities and services furnished by the Tenant to, and used by, its sublessee in connection therewith. In the event only a portion of the Exclusive Space is so subleased, it shall be subleased at a monthly rental rate not to exceed a ratable apportionment, on a square foot basis, of the monthly rental rate which would obtain if all of the Exclusive Space was subleased.

It is mutually understood and agreed that nothing contained in this Sublease Agreement is intended, or shall be construed, as in any way creating or establishing the relationship of copartners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of Continental for any purpose or in any manner whatsoever.

16. *Remedies Upon Default.*

If any of the following events shall occur:

A. if any voluntary or involuntary petition in bankruptcy or insolvency, or any assignment for the benefit of creditors, or a receiver, shall be made, filed, or appointed by or against the Tenant, or if the Tenant's leasehold interest in the Leased Space shall be levied upon under execution or attachment by any process at law or in equity;

B. if the Tenant shall abandon the Leased Space;

C. if the Tenant shall default in the prompt payment to Continental of rent reserved hereunder, and such default shall continue for a period of twenty (20) days after notice of such default is given by Continental to the Tenant; or,

D. if the Tenant shall default in the prompt and full performance of any other term, covenant, or condition of this Sublease Agreement, and such default shall continue for a period of twenty (20) days after notice of such default is given by Continental to the Tenant, unless the default is of such a nature that the same cannot be cured or corrected within said twenty (20) day period and the Tenant shall have promptly and diligently commenced to cure and correct such default and shall have thereafter continued therewith with reasonable diligence and in good faith, in a manner so as to cure and correct the same as promptly as reasonably practicable under the circumstances, and shall have continued therewith until the default shall have been cured and corrected;

then, and in any such event (all of which are herein collectively called "Events of Default"), all unpaid rent reserved by Continental hereunder shall immediately become due and payable; and, in addition thereto, Continental may exercise any of the following remedies or any other remedy available to Continental at law or in equity without further notice and without any further demand or other action by Continental, all of which the Tenant expressly waives, and all such remedies shall be cumulative and non-exclusive and the exercise of any one or more such remedies shall not be deemed to be an exclusive election of the remedy or remedies exercised or a waiver of the remedies not exercised, to wit: Continental may bring an action at law or in equity to collect the balance of the unpaid rent reserved hereunder; may terminate this Sublease Agreement and the rights of the Tenant created hereunder and recover damages sustained by the Event of Default; without terminating this Sublease Agreement, may terminate the Tenant's right to possession of the Leased Space; and with or without terminating this Sublease Agreement, may re-enter and repossess the Leased Space, and dispel and remove the Tenant and its property therefrom, using such force as may reasonably be necessary without being deemed guilty of trespassing, forceful entry or detainer and without relinquishing its right to the rent reserved hereunder, and without causing forfeiture of changes due by virtue hereof, nor a waiver of any covenant, agreement, or promise contained in this Sublease Agreement, to be performed by Tenant (the Tenant hereby granting Continental full and free license to so enter upon the Lease Space with or without notice, demand, and process of law). Upon and after entry into possession, without terminating this Sublease Agreement, Continental may in its sole discretion further resublet the Leased Space or any part thereof for the account of the Tenant to any person, firm, or corporation for such rent, and upon such terms and conditions as Continental may in its sole discretion determine; and the rent collected by Continental from such resubletting shall first be applied to reimburse unto Continental all costs and expense incurred in connection with the resubletting of the Leased Space, including any and all reasonable costs and expenses incurred in repossessing the Leased Space from the Tenant, and the balance, if any, shall be applied to the rent reserved herein and any deficiency therein shall be the liability and obligation of the Tenant.

17. *Remedies Upon Default of Continental.*

The Tenant shall have the right, upon giving notice to Continental, to cancel this Sublease Agreement upon or after the default of Continental in the performance of any of the terms, covenants, or conditions to be performed by Continental hereunder and the failure of Continental to cure and correct said default with in sixty (60) days following receipt by Continental of written demand from the Tenant so to do; provided, however, that if the default is of such a nature that the same cannot be cured or corrected within said sixty (60) day period and if Continental shall have commenced the curing and correcting of such default within said sixty (60) days and shall have proceeded therewith, with reasonable diligence and in good faith, in a manner so as to cure and correct the same as promptly as reasonably practicable under the circumstances, then, and in that event, no notice of cancellation given pursuant to the provisions of this paragraph 17 shall be of any force or effect. Except as provided above in this paragraph 17, this Sublease Agreement, and the obligations of the Tenant created hereunder, shall not be cancellable or terminable by the Tenant for any cause whatever.

18. *Equal Opportunity.*

Tenant, in performing under this Sublease Agreement, shall not discriminate against any worker, employee, or applicant, or any member of the public, because of race, creed, color, religion, age, sex, or national origin, nor otherwise commit an unfair employment practice.

Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, religion, age, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship.

Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. Tenant further agrees that this clause will be incorporated in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this Sublease Agreement.

19. *Liens.*

The Tenant shall at all times keep and maintain the Leased Space and improvements situated thereat free and clear of any and all liens, charges, and encumbrances whatsoever arising out of Tenant's use of the Leased Premises or in any manner attributed to any act or omission of the Tenant, its officers, agents, and employees, or relating to any work or improvements performed on or to the Leased Space by or on behalf of the Tenant, its officers, agents, and employees; and shall not mortgage, pledge, or in any manner hypothecate this Sublease Agreement; provided, however, the Tenant may, in good faith, contest the validity of any lien but, notwithstanding any such contest, if any lien so contested shall be reduced to final judgment and such judgment or such process as may be issued or the enforcement thereof is not promptly stayed or is so stayed and said stay thereafter expires, then, and in any such event, the Tenant shall forthwith entirely pay and discharge said judgment.

In addition to the rent and charge hereinabove described, Tenant shall pay all fees, charges, license fees, and taxes of whatever nature, if necessary, as required by law or ordinance of the City.

20. *Notices.*

Notices and other communications given hereunder shall be in writing and shall be deemed to have been given and delivered when deposited in the United States Mail, registered or certified, with airmail postage prepaid, or delivered to a telegraph agency for immediate dispatch, and addressed, if to Continental, to:

21. *Ingress and Egress.*

Continental grants to the Tenant, its officers, employees, agents, business invitees, and guests the right of access, ingress, and egress to and from the Continental Air Cargo Facility over such routes as shall be approved by the Commissioner of Aviation and the Commissioner of Public Works of the City, to the same extent and subject to the same conditions and restrictions as shall be available and applicable to Continental and the other occupants of the Continental Air Cargo Facility.

22. *Binding Agreement.*

Subject to the provisions of paragraph 15 hereof, this Sublease Agreement and the rights and obligations created hereunder shall be binding upon and inure to the benefit of the respective parties hereto, their successors, and assigns.

23. *Surrender of Possession.*

Upon termination of the initial term, or any extension, of this Sublease Agreement, the Tenant shall forthwith surrender the Leased Space to Continental in good condition and repair, reasonable wear and tear and damage from any casualty not arising out of a negligent act or omission of the Tenant, its officers, employees, agents, business invitees, or guests, excepted; and if the Tenant shall retain possession of the Leased Space, or any part thereof, after the termination of the term, by lapse of time or otherwise, the Tenant shall pay to Continental all damages sustained by reason of the Tenant's retention of possession. Further, if the Tenant so remains in possession of the Leased Space, or any part thereof, such holding over shall, at the election of Continental, to be made by notice to the Tenant and not otherwise constitute a renewal of this Sublease Agreement for an additional one (1) year period. The provisions of this paragraph 23 shall not be construed to waive Continental's right of re-entry or any other right in Continental hereunder.

24. *Miscellaneous.*

A. In the event any covenant, phrase, clause, paragraph, section, condition, or provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such covenant, phrase, clause, paragraph, section, condition, or provision shall in no way affect any other covenant, phrase, clause, paragraph, section, condition, or provision herein contained.

D. The Tenant shall have the right to install and maintain signs, provided that all signs so installed shall be limited to those which advertise air transportation, and the number, general type, size, design, and location of such signs shall be subject to the approval of Continental and the Commissioner of Aviation of the City.

E. This Sublease Agreement embodies and constitutes the entire understanding among the parties with respect to the transactions contemplated herein, and supersedes all prior or contemporaneous representations, understandings, subleases, or agreements, whether oral or written. Neither this Sublease Agreement nor any provision hereof may be waived, modified, amended, discharged, or terminated except by an instrument in writing signed by the party against which the enforcement of such waiver, modification, amendment, discharge, or termination is sought, and then only to the extent set forth in such instrument. The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to the approval of the Corporation Counsel as to form and legality, are authorized to execute a Consent to the attached sublease agreement between Continental Air Lines, Inc., and Air Canada, for the sublease of certain premises at Chicago-O'Hare International Airport, said sublease agreement to be in the following form:

This Sublease Agreement is made as of the 14th day of August, 1978, by and between Continental Air Lines, Inc., a Nevada corporation, (hereinafter called "Continental"), and Air Canada, a Canadian corporation, (hereinafter called the "Tenant").

Whereas, Continental is a party to that certain Airport Use Agreement dated January 1, 1959, with the City of Chicago, Illinois, (hereinafter called the "City") relating to the O'Hare International Airport, Chicago, Illinois (hereinafter called the "Airport"); and,

Whereas, Continental has leased from the City, under an agreement dated August 25, 1966, which is hereinafter called the "Basic Lease", an area of land consisting of approximately 11.873 acres located on the Airport at the easterly portion of the cargo area and shown as outlined in red on Exhibit "A" attached hereto and made a part hereof for all purposes, which area of land is hereinafter called the "Cargo Site"; and,

Whereas, Continental has constructed on the Cargo Site an air cargo building containing approximately 315,000 square feet of space together with related cargo ramp aprons, docks, and other facilities in accordance with certain plans and specifications which have been approved by the City, which air cargo building and other improvements are hereinafter called the "Continental Air Cargo Facility", as shown on Exhibit "B" attached hereto and made a part hereof for all purposes; and,

Whereas, Continental has agreed to employ its best efforts to obtain an extension of the term of the Basic Lease for an additional ten (10) year period subject to the provisions of the Basic Lease; and,

Whereas, Tenant has subleased space in the Continental space in the Continental Air Cargo Facility in the past and desires to continue to sublease such space and to occupy and use the same in accordance with the covenants, terms, and conditions set forth herein in consideration of Continental's efforts to seek a ten (10) year extension of the term of the Basic Lease and if such lease extension is obtained, to thereupon offer Tenant an option to extend this Sublease Agreement for the term of of such extension or ten (10) years, whichever is less.

Now, Therefore, in consideration of these presents, and the promises, covenants, and agreements contained herein, the parties hereto do hereby agree as follows:

1. *Description of Space.*

Continental, for and in consideration of the promises, covenants, and agreements herein contained and made on the part of the Tenant, does hereby demise and sublease unto the Tenant the following space located in the Continental Air Cargo Facility:

A. For the exclusive use of the Tenant, the following space:

Approximately 16,875 square feet of apron level warehouse space;

Approximately 16,875 square feet of basement warehouse space;

Approximately 3,750 square feet of mezzanine space; which space is hereinafter called the "Exclusive Space" and is more particularly described as outlined in red on Exhibit "C" attached hereto and made a part hereof for all purposes; and

B. For use in common with all other occupants of the Continental Air Cargo Facility, the space hereinafter called the "Common Space" which shall include the aircraft taxiways, the aircraft ramp area, the truck road and dock area, and the employee and customer parking areas, all of which is more particularly described as outlined in green on Exhibit "B" attached hereto.

The Exclusive Space together with the Common Space are sometimes hereinafter collectively called the "Leased Space".

To have and to hold the Leased Space during the term hereof, subject to the covenants and restrictions contained herein, for the purpose of handling air cargo and operating an air cargo termnial as described in paragraph 2 of this Sublease Agreement.

It is understood that Continental has subleased space in the Continental Air Cargo Facility to others in the past and may continue to do so. The obligations of the Tenant and the other sublessees shall be several and not joint, and Tenant shall not be responsible for any acts or omissions of the other sublessees.

2. *Use.*

Tenant shall use the Leased Space and the other rights and privileges granted hereunder, subject to rules and regulations promulgated by the City, for air cargo terminal purposes and purposes reasonably necessary or convenient in connection therewith, including but not limited to the following:

A. the receiving, delivery, dispatching, processing, handling, and storing of air cargo, express, mail, and other property.

B. the loading and unloading upon the Leased Space of property, cargo, and mail upon or from aircraft (including exclusive freight or cargo flights) by such means as may be necessary or convenient, and the exercise of all rights and privileges upon and with respect to the Leased Space and with respect to the cargo ramp areas at the Airport available for common use which are granted to the Tenant under an agreement with the City substantially the same as the Airport Use Agreement to which reference is above made).

C. the loading, unloading, and parking of automobiles and trucks for the use only by employees of the Tenant and invitees of the Tenant having business at the Continental Air Cargo Facility.

D. the maintenance and operation of the facilities and equipment located upon the Exclusive Space and facilities and equipment owned by the Tenant and located upon the Common Space.

3. *Term.*

This Sublease Agreement shall commence as of the date of this Sublease Agreement and, unless sooner terminated as hereinafter provided, shall end on the thirtieth (30th) day of November, 1987, subject to extension in accordance with paragraph 5 below.

4. *Rental.*

During the term hereof the Tenant shall pay unto Continental as and for rental for the space subleased hereunder, the sum of $............ Dollars, payable at the rate of $138,468.75 per annum in equal monthly installments of $11,539.07 payable in advance on the first day of each and every calendar month during the term hereof, commencing on the first day of the term hereof as established in accordance with paragraph 3 hereof. If the term hereof shall commence or terminate on a day other than the first calendar day of the month, then the rent for such month shall be prorated for such fractional month.

The rental shall be due upon receipt of invoice and shall be payable at the offices of Continental, Los Angeles International Airport, Los Angeles, California 90009, or at such other place as Continental shall, from time to time, designate by notice. Any rental or other sum due and payable by Tenant hereunder which is not paid when due shall bear interest at the rate of seven percent (7%) per annum from the due date thereof until paid.

Tenant shall pay to Continental immediately upon the execution of this Sublease Agreement a sum which shall constitute the difference between the amount Tenant has paid to Continental for Tenant's use and enjoyment of the Leased Space from and after the date of this Sublease Agreement and the amount now due and owing from Tenant to Continental as rental under the terms of this Sublease Agreement.

5. *Basic Lease Extension and Option to Extend Sublease Agreement.*

A. Continental shall promptly seek a ten (10) year extension to the Basic Lease on terms satisfactory to it. The grant of such an extension by the City shall not affect the terms of this Sublease Agreement, but shall constitute a condition precedent to Continental's obligation to grant to Tenant the option to extend this Sublease Agreement as hereinbelow described. Continental shall have the sole right to determine whether it is satisfied or dissatisfied with the terms of the Basic Lease extension according to its own subjective standards, regardless of objective criteria or the opinion of others.

B. If the City grants and Continental accepts an extension of the term of the Basic Lease, Tenant shall have an option to extend this Sublease Agreement for the term of the extension of the Basic Lease or ten (10) years, whichever is less. Such renewal option shall be for not less than the entire Leased Space on all of the terms and provisions of this Sublease Agreement and the Basic Lease, as amended to induce the option to extend, provided (i) Tenant shall have no other right to extend the term of the Sublease Agreement beyond the extended term, and (ii) Continental's and Tenant's rental and financial obligations with respect to such Basic Lease and this Sublease Agreement during the extended term of this Sublease Agreement shall be as provided in subparagraph C below. Tenant shall exercise its option to extend this Sublease Agreement by giving Continental notice of intent to do so on or before April 30, 1987; provided, however, that if Tenant is in default at the date of the giving of such option notice, or this Sublease Agreement is not otherwise in full force and effect, the option notice shall be totally ineffective or, if Tenant is in default on the date as of which the extended term is to commence, such extended term shall not commence and this Sublease Agreement shall expire at the end of the initial term.

C. During the extended term of this Sublease Agreement, if any, Tenant shall pay to Continental, for the Sublease Agreement and use of the Leased Space, facilities, and rights subleased hereunder, Tenant's "pro-rata share" of the following Continental Air Cargo Facility rentals, fees, costs and charges (hereinafter collectively referred to as the "Use and Operating Costs").

(1) The term "pro-rata share" to be paid by Tenant shall be deemed to mean the product derived by multiplying the total Continental Air Cargo Facility Use and Operating Costs by a fraction, the numerator of which is the Exclusive Space subleased to Tenant hereunder and the denominator of which is the amount of space available to be subleased for the exclusive use of all sublessees, plus the space exclusively occupied by Continental in the Continental Air Cargo Facility, excluding all such space used for Continental Air Cargo Facility management, maintenance and general support for the benefit of Continental and all sublessees.

On or before September 30, of each year, beginning in 1987, Continental shall notify Tenant of Tenant's pro-rata share of the Use and Operating Costs estimated for the twelve (12) month period beginning on the next ensuing December 1. Beginning on each such December 1, and on the first day of each of the next eleven months, Tenant shall pay to Continental one-twelfth (1/12) of the amount estimated by Continental to be Tenant's pro-rata share of the Use and Operating Costs for that twelve (12) month period.

Following Continental's determination of the actual Use and Operating Costs at the end of each successive twelve (12) month period during the extended term, Continental shall notify Tenant of any additional amounts owing, and Tenant shall promptly pay upon receipt of invoice such additional amounts to Continental. If Tenant's pro-rata payments for such twelve (12) month period exceed its pro-rata share of the actual Use and Operating Costs for such period, such excess shall be credited to Tenant's future Use and Operating Cost payment obligations.

In addition to its obligations as set forth above, Tenant shall promptly pay to Continental upon receipt of invoice, its pro-rata share of all costs incurred in connection with capital improvements to the Continental Air Cargo Facility and/or the Common Space undertaken, for the benefit of all sublessees, during any extension hereof pursuant to paragraph 5 hereof.

(2) The term "Use and Operating Costs" shall be deemed to mean any and all costs, expenses, assessments, and other impositions, general and special, ordinary and extraordinary, of every kind and nature whatsoever which are attributable to the operation and maintenance of the entire Continental Air Cargo Facility and Common Space incurred or paid by or on behalf of Continental including, without limitating, maintaining, operating, managing and general administration, renewing, replacing, and repairing, with respect to the entire Continental Air Cargo Facility and Common Space. The term "Use and Operating Cost" shall be applied in the context of this Sublease Agreement to the full extent necessary to produce revenues to Continental in an amount which shall fully reimburse Continental for all costs and expenses attributable to the operating and maintenance of the entire Continental Air Cargo Facility and Common Space. No credit, deduction, or offset of Tenant's obligation to fully reimburse Continental shall be permitted

(whether provided in other provisions of this Sublease Agreement or not) and such costs and expenses shall include, without limiting the generality of the foregoing, all rents, taxes, premiums, maintenance, and other charges paid or incurred by or on behalf of Continental under the Basic Lease.

6. *Tax and Insurance Assessment.*

In addition to the rental due and payable hereunder, the Tenant shall pay to Continental an annual assessment as and for insurance and taxes for each and every year during the term hereof, but not during any extension pursuant to paragraph 5 hereof, computed as follows:

A. From the aggregate of (i) all ad valorum taxes, including personal property taxes, and special assessments due and payable with respect to the Continental Air Cargo Facility during said year, and (ii) the annual premiums paid by Continental for the fire and extended coverage insurance maintained by Continental during said year pursuant to paragraph 12 hereof, there shall be deducted the sum of $40,000. The remainder therefrom is hereinafter called the "Annual Assessment".

B. The Tenant shall pay to Continental upon invoice its proportionate share of the Annual Assessment as determined by the ratio between (i) the average amount of the Exclusive Space subleased to the Tenant in the Continental Air Cargo Facility during such year, and (ii) the average aggregate amount of space to be subleased for the exclusive use of all sublessees of, plus the space exclusively occupied by Continental in, the Continental Air Cargo Facility during the same year.

C. Within sixty (60) days from the end of each year during the term hereof, Continental shall compute the proration of the Annual Assessment described in subparagraph B of this paragraph 6 and shall invoice the Tenant for its amount of such proration. Payment of the proration shall be due within twenty (20) days of receipt of invoice.

D. Continental agrees to keep and maintain books and records of the insurance and ad valorum tax expenses incurred with respect to the operation of the Continental Air Cargo Facility, and shall submit an annual report to the Tenant in summary thereof accompanying the invoice described in subparagraph C of this paragraph 6.

7. *Subordination.*

This Sublease Agreement is subject and subordinate to all procured or underlying leases and to all mortgages which may now or hereafter affect such leases or the real property of which the Leased Space forms a part, and all renewals, modifications, consolidations, replacements, and extensions thereof. This provision shall be self-operative and no further instrument or subordination shall be required by any mortgage. In confirmation of such subordination, the Tenant shall execute promptly any certificate that Continental may request, and the Tenant hereby constitutes and appoints Continental as the Tenant's attorney-in-fact to execute and deliver any such certificate or certificates for and on behalf of the Tenant. However, so long as the Tenant is not in default in the payment of rental or in the performance of any of the obligations of the Tenant created hereunder, during the term hereof and any renewal or extension thereof the Tenant shall have quiet and peaceable possession, use and enjoyment of the Exclusive Space.

Notwithstanding the foregoing, this Sublease Agreement and the promises and covenants contained herein are subject and subordinate to the Basic Lease, a copy of which has been given to the Tenant; and the Tenant hereby covenants and agrees, for the benefit of Continental and the City, that it shall not, by its use and occupancy of the Leased Space, violate any of the provisions of the Basic Lease and that it shall faithfully perform all of the obligations of the Lessee thereunder insofar, but only insofar, as such obligations relate and pertain to the Leased Space (provided, however, that nothing herein contained shall obligate the Tenant to perform any obligation imposed upon Continental hereunder or to pay rental unto the City, which obligations shall be the sole responsibility of Continental).

8. *Services and Utilities.*

Continental shall furnish, without additional cost or expense to Tenant, the services and utilities set forth below; provided, however, Continental shall not be liable for any loss or damage caused by or resulting from any variation, interruption, or failure of said services and utilities arising out of any cause whatever, but in the event any such variation, interruption, or failure of said services and utilities shall occur, Continental shall use its best reasonable efforts, exercising due diligence, to cause the resumption of such utilities and services:

A. Potable domestic water in both the Exclusive Space and the Common Space, and sanitary sewer water in the Exclusive Space stubbed to the locations designated by Tenant.

B. Lighting for the Common Space, including, without limitation, such loading dock, ramp, taxiway, and parking lot lighting as Continental shall determine adequate for the Common use of the occupants of the Continental Air Cargo Facility.

C. Snow removal from the Common Space, including the loading dock, ramp, taxiway, and parking lot, as required.

D. The gas, electrical, and ventilation including heating and air conditioning systems in the Continental Air Cargo Facility stubbed to the exterior of Tenant's Exclusive Space. All additional gas and electrical fixtures, equipment, and appliances required by the Tenant with respect to the Continental Air Cargo Facility shall be procured and installed by the Tenant at its own cost and expense. All electricity used or consumed by the Tenant, including that used for lighting, shall be separately metered and the cost thereof, including utility connecting charges and deposits, if any, shall be paid entirely by the Tenant. The gas used or consumed at the Continental Air Cargo Facility shall not be separately metered and Continental shall pay the monthly charges therefor, but the Tenant shall reimburse Continental monthly upon invoice for that portion of the gas deemed to have been used or consumed on behalf of the Tenant, including gas used or consumed for heating, as determined by allocating to the Tenant that portion of each monthly gas bill which is equal to the amount of Exclusive Space leased to the Tenant in the Continental Air Cargo Facility during the month to which the gas bill relates as compared with (i) the total amount of space subleased for the exclusive use of all sublessees in the Continental Air Cargo Facility during such month and (ii) the amount of space exclusively occupied by Continental in the Continental Air Cargo Facility during such month.

Continental shall not provide waste disposal service, the responsibility for which shall be the Tenant's; and Tenant agrees to cause the disposal of all waste, debris, and trash attributed to the Tenant, its officers, employees, agents, business invitees, and guests, at such intervals as shall be necessary to keep and maintain the Continental Air Cargo Facility in a clean, sightly, sanitary, and tenantable condition.

9. *Maintenance and Repair.*

A. In addition to the services and utilities to be provided by Continental pursuant to paragraph 8 above, Continental shall maintain and keep the Continental Air Cargo Facility in a tenantable condition and in a good state of repair as follows:

(1) Continental shall maintain and repair all Common Space located at the Continental Air Cargo Facility, including without limitation, the loading dock, ramp, taxiway, parking lot, and lighting system for the Common Space.

(2) Except to the extent the Tenant is required to perform such maintenance and repair pursuant to the provisions of subparagraph B of this paragraph 9, Continental shall maintain and repair the Continental Air Cargo Facility structure in a workmanlike manner in accordance with good standard building practice.

(3) Except to the extent the Tenant is required to perform such maintenance and repair pursuant to the provisions of subparagraph B of this paragraph 9, Continental shall maintain and repair all systems installed by Continental in the Continental Air Cargo Facility pursuant to the plans and specifications for the Continental Air Cargo Facility and the provisions of paragraph 8 hereof.

B. The Tenant shall maintain and keep the Continental Air Cargo Facility in a tentable condition and a good state of repair as follows:

(1) The Tenant shall perform all routine maintenance of the Exclusive Space, including such cleaning and janitorial service as shall be necessary, so as to keep and at all times maintain the Exclusive Space in a clean, sightly, sanitary, and tenantable condition.

(2) The Tenant shall maintain and keep in a good state of repair all equipment, appliances, fixtures, and furnishings installed or brought upon the Leased Space by the Tenant.

(3) The Tenant shall perform all maintenance and repair of the portion of the Continental Air Cargo Facility located within the Leased Space, or systems located therein, required as a result of or attributed to any negligent act or omission of the Tenant, its officers, employees, agents, business invitees, or guests.

C. In the event the Tenant fails to perform, for a period of twenty (20) days after notice from Continental so to do, any obligation of the Tenant set forth in this paragraph 9, Continental may enter upon the Leased Space (without causing or constituting a termination of this Sublease Agreement and without causing or constituting an interference with the use or possession of the Leased Space by the Tenant) and do all things necessary to perform such obligation, charging to the Tenant the cost and expense thereof and the Tenant agrees to pay Continental such charge in addition to any other amounts payable by the Tenant hereunder; provided, however, if the Tenant's failure to perform any such obligation endangers the safety or use of the Continental Air Cargo Facility by the public, Continental, or the other tenants of the Continental Air Cargo Facility, and Continental so states in its notice to the Tenant, Continental may perform such obligation of the Tenant at any time after the giving of such notice and charge to the Tenant, and the Tenant shall pay, as above provided, the cost and expense of such performance.

10. *Fixtures and Alterations.*

The Tenant may, with the prior written approval of Continental, and, if requested by Continental, with the prior written approval of the Commissioner of Aviation and the Commissioner of Public Works of the City, and after obtaining all requisite building or construction licenses or permits, at its own cost and expense, erect or install in or upon the Exclusive Space any machinery, equipment, appliances, fixtures, or improvements or do or make any alterations or remodeling, or perform interior decorating. Any machinery, equipment, appliances, fixtures, improvements, and other property bought, installed, erected, or placed by the Tenant in, on, or about the Exclusive Space shall be deemed to be personalty and remain the property of the Tenant, and the Tenant shall have the right, at any time during the term of this Sublease Agreement, to remove any or all of its property, subject to the Tenant's obligation to repair damage, if any, resulting from such removal. The Tenant shall, upon cancellation or termination of this Sublease Agreement, or at any other time it removes any such property, restore the Exclusive Space leased hereunder to the condition as it existed at the beginning of the term hereof, ordinary wear and tear and damage by fire or other casualty covered by the insurance described in paragraph 12 hereof excepted.

11. *Indemnity.*

The Tenant covenants and agrees at all times to indemnify and hold Continental harmless from and against any and all claims, suits, demands, liabilities, judgments, loss, costs, damages, penalties for violations of any law, ordinance, or regulations effecting Tenant's operations, and expenses of any nature whatsoever (including the cost of investigating and defending any alleged suits, claims, demands, liability, judgments, loss, cost, damages, penalties, and expenses, and attorney's fees and expenses incurred in connection therewith) which may directly or indirectly arise from or be claimed against Continental by any person or persons for any loss of or damage to property, or injury to, including death, of any person whomsoever, consequent upon, or arising from or out of the operation, use, or occupancy of the Leased Space by the Tenant, its officers, employees, agents, business invitees, or guests, or resulting from the carelessness, negligence, or improper conduct of the Tenant, its officers, employees, agents, business invitees, or guests in the use and occupancy of the Leased Space, except when any such claim, suit, demand, liability, judgment, loss, cost, damage, penalty, or expense is the direct result of the sole negligence of Continental, its officers, employees, agents, business invitees, or guests, or the joint negligence of Continental and any person, firm, or corporation other than the Tenant, its officers, agents, employees, business invitees, and guests.

In addition thereto, the Tenant agrees to indemnify and hold the City harmless from and against all liabilities, judgments, costs, damages, penalties, and expenses which may accrue against, be charged to or recoverable from the City by reason or on account of damage of the property of, injury to, or death of any person, arising from the Tenant's use and occupancy of the Leased Space, and operations at the Airport, including acts of its agents, contractors, and subcontractors, except when caused by the sole negligence of the City or by the joint negligence of the City and any person other than the Tenant, its agents, contractors, and subcontractors.

12. *Fire Insurance and Restoration.*

Continental shall obtain and maintain in full force and effect at all times during the term hereof, or any extension or renewal thereof, a policy or policies of fire and extended coverage insurance covering the Continental Air Cargo Facility in an aggregate amount not less than eighty percent (80%) of the full insurable value thereof.

If, during the term hereof, or any extension or renewal thereof, the Continental Air Cargo Facility shall be destroyed or damaged in whole or in part by fire or other cause, Continental shall promptly cause the same to be repaired, replaced, and rebuilt, with and to the extent of the insurance proceeds available, at least to the extent of the value and as nearly as possible to the character of the Continental Air Cargo Facility existing immediately prior to such occurrence. Rental otherwise due and payable hereunder shall be ratably abated with respect to that portion of the Exclusive Space, if any, rendered untenantable as a result of such occurrence for and during the period of time Continental is restoring or rebuilding the Continental Air Cargo Facility subsequent to such damage or destruction, unless such damage or destruction is due to any malfeasance, misfeasance, or nonfeasance of the Tenant, its officers, employees, agents, business invitees, or guests. Nothing contained herein shall be deemed to create any obligation upon Continental to carry and maintain insurance coverage on any of the equipment, furnishings, and contents located within the Leased Space including, without limitation, ground equipment, air cargo, and air cargo handling equipment, all of which shall be the sole liability and responsibility of the Tenant.

13. *Insurance.*

The Tenant further covenants and agrees that, during the term of this Sublease Agreement, it will procure and maintain in full force and effect, at its own cost and expense, policies of insurance of the types and minimum amounts set forth below issued by a company or companies of sound and adequate financial strength acceptable to Continental and the City naming Continental and the City as additional assureds thereunder.

Aircraft Public Liability and Property Damage

$3,000,000 single limit

Comprehensive Public Liability and Property Damage

$3,000,000 single limit

All such insurance shall be evidenced by a certificate or certificates of insurance delivered to Continental, shall contain a thirty (30) day notice of cancellation clause, and shall contain a provision waiving rights of subrogation against Continental and the City.

14. *Rules and Regulations.*

The Tenant shall at all times observe and obey all rules and regulations governing the conduct and operation of the Airport (as the same apply to the Continental Air Cargo Facility, and the Tenant's use and occupancy thereof) promulgated from time to time by the City. In addition thereto, Continental shall have the right at any time, and from time to time, to establish, modify, and enforce reasonable rules and regulations with respect to the Continental Air Cargo Facility and the cargo area adjacent thereto, and the Tenant shall faithfully observe and obey all such rules and regulations; provided, however, such rules and regulations shall not be inconsistent with any applicable rules and regulations promulgated by the City.

15. *Assignment or Sublease.*

The Tenant may assign and delegate this Sublease Agreement and the rights and obligations created hereunder to any corporation into or with which the Tenant may hereafter merge or consolidate, or which may succeed to the business and assets of the Tenant. The Tenant may further assign and delegate or sublease this Sublease Agreement, the rights and obligations created hereunder, and the premises leased hereby, to any wholly-owned subsidiary or affiliated corporation of the Tenant, in which event the Tenant shall remain primarily liable for the payment of rentals and the performance of all the other obligations of the Tenant created hereunder. Except as provided above, this Sublease Agreement and the rights and obligations created hereunder shall not be assignable or delegable by the Tenant, and any attempt to so assign or delegate shall be null and void.

With the prior written consent of Continental and the City, the Tenant may sublease the Exclusive Space at a monthly rental rate not to exceed an amount equal to the Tenant's expenses with respect to the Exclusive Space so subleased and facilities and services furnished by the Tenant to, and used by, its sublessee in connection therewith. In the event only a portion of the Exclusive Space is so subleased, it shall be subleased at a monthly rental rate not to exceed a ratable apportionment, on a square foot basis, of the monthly rental rate which would obtain if all of the Exclusive Space was subleased.

It is mutually understood and agreed that nothing contained in this Sublease Agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of copartners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of Continental for any purpose or in any manner whatsoever.

16. *Remedies Upon Default.*

If any of the following events shall occur:

A. If any voluntary or involuntary petition in bankruptcy or insolvency, or any assignment for the benefit of creditors, or a receiver, shall be made, filed, or appointed by or against the Tenant, or if the Tenant's leasehold interest in the Leased Space shall be levied upon under execution or attachment by any process at law or in equity;

B. If the Tenant shall abandon the Leased Space;

C. If the Tenant shall default in the prompt payment to Continental of rent reserved hereunder, and such default shall continue for a period of twenty (20) days after notice of such default is given by Continental to the Tenant; or,

D. If the Tenant shall default in the prompt and full performance of any other term, covenant, or condition of this Sublease Agreement, and such default shall continue for a period of twenty (20) days after notice of such default is given by Continental to the Tenant, unless the default is of such a nature that the same cannot be cured or corrected within said twenty (20) day period and the Tenant shall have promptly and diligently commenced to cure and correct such default and shall have thereafter continued therewith with reasonable diligence and in good faith, in a manner so as to cure and correct the same as promptly as reasonably practicable under the circumstances, and shall have continued therewith until the default shall have been cured and corrected;

Upon and after entry into possession, without terminating this Sublease Agreement Continental may in its sole discretion further resublet the Leased Space or any part thereof for the account of the Tenant to any person, firm, or corporation for such rent, and upon such terms and conditions as Continental may in its sole discretion determine; and the rent collected by Continental from such resubletting shall first be applied to reimburse unto Continental all costs and expense incurred in connection with the resubletting of the Leased Space, including any and all reasonable costs and expenses incurred in repossessing the Leased Space from the Tenant, and the balance, if any, shall be applied to the rent reserved herein and any deficiency therein shall be the liability and obligation of the Tenant.

17. *Remedies Upon Default of Continental.*

The Committee on Intergovernmental Relations submitted a report recommending that the City Council adopt the following proposed resolution transmitted therewith (which was referred to the committee on October 16, 1980):

WHEREAS, All responsible and moral people have a duty to speak out against evil wherever that evil exists; and,

WHEREAS, Silence aids and abets injustice; and,

WHEREAS, Anti-Semitism is just another ugly form of racism, which is a disease that threatens all humanity; and,

WHEREAS, Nazism and Fascism are political philosophies which are abhorred by all freedom loving peoples of all religions; and,

WHEREAS, Violence, intimidation and anonymity are the stock and trade of despots and would be despots; and,

WHEREAS, Today in France, Nazism and Fascism have raised their ugly heads to employ the tools of racial hatred, intimidation and violence; and,

WHEREAS, The French Revolution is a symbol of humanity's common desire to be rid of despots and tyrants; and,

WHEREAS, The horrors, atrocities, injustices, rapes, pillaging and judicially authorized murders of the Vichy Government, imposed by Hitler and the Nazis, remain a part of the consciousness of the French people as well as that of all freedom loving peoples; now, therefore,

Be It Resolved, That the City Council of the City of Chicago calls upon the French government and people to denounce anti-Semitism, Nazism and Fascism to vigorously prosecute and suppress the violence, intimidation and murders being carried out against Jewish French citizens and any other citizens and to suppress through legal process and moral persuasion the ugly head of racism which raises its head in France today; and

The Committee on Intergovernmental Relations submitted a report recommending that the City Council adopt the following proposed resolution transmitted therewith (which was referred to the committee on September 10, 1980):

WHEREAS, The accidents, hazards and deaths arising from cigarette fires are needlessly and tragically high; and,

WHEREAS, In 1978 alone there were some 70,000 smoking-related fires in this country which resulted in 1,800 deaths—an average of five deaths per day—and 4,000 injuries; and,

WHEREAS, It is estimated by the National Fire Protection Association that the dollar loss in the U.S. due to fire caused by dropped cigarettes reaches 1½ to 2 billion dollars annually; and,

WHEREAS, Experiments have demonstrated that a freshly lit cigarette will burn for an average of 24 minutes when placed on a flat surface, and it has been shown that a dropped cigarette must burn for five minutes or more before starting a fire; and,

WHEREAS, The tobacco industry manufactures a majority of cigarettes by including chemical additives which promote their continuous or self-burning characteristics; and,

WHEREAS, It is becoming abundantly clear that responsible steps must be taken to alleviate the unnecessary danger to human life by requiring the manufacture of cigarettes which if untended will extinguish within five minutes; and,

WHEREAS, Tobacco and tobacco products are specifically excluded from the provisions of the Consumer Product Safety Act (15 U.S.C. 2051) and the Federal Hazardous Substance Act (15 U.S.C. 1261); and,

WHEREAS, There are over 20 patents which detail various methods for making cigarettes self-extinguishing; and,

WHEREAS, House Resolution 6675, "The Cigarette Safety Act" is now pending in the U. S. Congress and, if enacted, would establish new safety standards for cigarette manufacture; now, therefore,

Be It Resolved, That we, the Mayor and Members of the City Council of the City of Chicago, gathered here this 10th day of September, A.D., 1980, do hereby memorialize the United States Congress to enact H.R. 6675: "The Cigarette Safety Act" in order to make cigarettes safer and to reduce the senseless loss of life and property that too often accompanies the use of this product; and,

Be It Further Resolved, That a copy of this resolution be submitted to the President and Vice-President of the United States, to the Speaker of the House of Representatives, to each Senator and U.S. Representative from Illinois, to each member of the Consumer Product Safety Commission, to the Federal Food and Drug Administration, to the Bureau of Alcohol, Tobacco, and Firearms Enforcement of the U.S. Treasury Department, and to the Secretary of Health, Education and Welfare.

The President, President-Elect and Congress Called Upon to Issue Stern Warning to Soviet Union against Aggression into Poland.

The Committee on Intergovernmental Relations submitted a report recommending that the City Council adopt the following proposed resolution transmitted therewith (which was referred to the committee on December 1, 1980):

WHEREAS, The Polish Freedom Strikers have, for a number of months now, been demanding greater human rights for themselves and the people of Poland; and,

WHEREAS, These demands have been reinforced with a series of strikes and threats to strike by the Polish workers; and,

WHEREAS, Poland has a 1,000 year history of struggle for human dignity on the altar of freedom; and,

WHEREAS, The aspirations for human dignity expressed by the Polish Freedom Strikers are compatible to the principles of human dignity incorporated in the Helsinki Agreement signed by both the government of Poland and the government of the Soviet Union; and,

WHEREAS, The Soviet Union has issued a stern warning to the people of Poland that any further expression for freedom and human rights by the independent trade unions of Poland could bring Soviet troops into Poland; and,

WHEREAS, Such a threat of aggression by the Soviet Union is a violent breach of civilized conduct between nations; and,

WHEREAS, The present struggle in Poland for greater freedom is an internal affair to be solved only within the boundaries of Poland by the people of Poland; and,

WHEREAS, Any overt act by the Soviet Union to interfere with the freedom process now manifesting itself in Poland is of deep concern to the free world; and, WHEREAS, Such aggression by the Soviet Union . . . following on the heels of Russia's aggression into Afghanistan . . . should be of great concern to all the nations of the free world including the United States; now, therefore,

Be It Resolved, That the Mayor of the City of Chicago and the City Council urges that the President of the United States issue a sharp warning to the Soviet Union against any adventurism into Poland and any meddling into the internal affairs of Poland by the Soviet Unions; and,

Be It Further Resolved, That the Congress of the United States, through its leadership, issue a similar warning pointing out such aggression would forever destroy any hopes for further Strategic Arms Limitations treaties between the U.S. and the Soviet Union; and,

Be It Further Resolved, That the Congress, through its leadership, should also make clear to the Soviet Union that their application for "most favored nation treatment" in Russia's commercial dealings with the U.S. shall be refused; and,

Be It Further Resolved, That the United States and the free world shall impose against the Soviet Union a world-wide economic embargo which would have serious adverse economic consequences for the Soviets; and,

SECTION 2. *Additional Levy for Deficiencies.* The taxes which are levied by this Ordinance (the "1980 Series D Tax Levy Ordinance") include the additional sums provided in this Section, which are in addition to the dollar amounts specifically set forth in Section 1 of this Ordinance. For paying principal of and interest on the Bonds, and for the purpose of providing money to be deposited in the debt service reserve fund (the "Reserve Fund") established by the Bond Resolution for the Bonds pursuant to the Act, there is levied and there shall be collected a direct annual tax upon all taxable property within the City, being the school district named Board of Education of the City of Chicago, sufficient to produce the sums specified in this Section. The additional sums provided in this Section are levied for each levy year, beginning with the levy year 1981, and shall be collected in each year, beginning with calendar year 1982, while any of the 1980 Series D Bonds are outstanding and unpaid, either as to principal or interest. The additional amount levied for each such year pursuant to this Section is the sum sufficient to produce the amount, if any, by which:

(i) the cumulative total principal amounts due on the 1980 Series D Bonds at maturity or on sinking fund installment dates and interest on the 1980 Series D Bonds as it fell due, in each case through December 1 of such levy year, less an amount equal to the interest paid from the 1980 Series D Capitalized Interest Account (all as provided in the Bond Resolution and the 1980 Series D Resolution) shall have exceeded

(ii) the cumulative total of the collections, up to and through December 1 of such levy year, of all taxes levied as provided by this 1980 Series D Tax Levy Ordinance (including taxes levied pursuant to this Section, and treating as tax collections the total amount of all such taxes which shall have been abated pursuant to Section 601 of the Bond Resolution with respect to extensions for all years through such December 1).

No later than December 31 of each year, beginning in 1981, the Trustee under the Bond Resolution shall file in the offices of the county clerks of each county in which any taxable property in the City is located, a statement, certified by a corporate trust officer of that Trustee, of the amount of the additional taxes which are included in the levy for that year as provided in this Section. The failure of the Trustee to file the certificate referred to in the preceding sentence shall not affect the validity of the levy of taxes as provided in this Section and, whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City is located are directed to cause to be extended and collected all the amounts levied by this Section, all as provided in this Section.

SECTION 3. *Filing of Ordinance.* After the adoption of this 1980 Series D Tax Levy Ordinance, the City Clerk of the City is directed to cause copies of this 1980 Series D Tax Levy Ordinance, duly certified by or on behalf of that officer, to be filed in the offices of the county clerks and of the county tax collectors of each county in which any taxable property in the City is located. Upon the filing of such copies of this 1980 Series D Tax Levy Ordinance with the county clerks, it shall be the duty of those county clerks to extend the taxes so levied for the 1980 Series D Bonds, all as provided in the Act, this 1980 Series D Tax Levy Ordinance, the Bond Resolution and the 1980 Series D Resolution. Except as specifically provided in the Bond Resolution, the 1980 Series D Resolution or this 1980 Series D Tax Levy Ordinance, the taxes levied as provided in this 1980 Series D Tax Levy Ordinance shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this 1980 Series D Tax Levy Ordinance shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the amounts so specified and provided for. No further action of this City Council shall be required for the levy of taxes as provided in this 1980 Series D Tax Levy Ordinance or for their extension and collection by the appropriate county officers.

SECTION 4. *Tax for Sole Benefit of Bondholders; Payment to Trustee.*

(a) As provided by the Act and the Bond Resolution, while any Bonds remain outstanding and unpaid, the taxes levied by this 1980 Series D Tax Levy Ordinance shall be for the sole benefit of the holders of the outstanding Bonds and the coupons pertaining to the outstanding Bonds. The Act and the Bond Resolution provide that such holders of Bonds and coupons shall have a security interest in, and a lien upon, all rights, claims and interests of the Authority arising pursuant to the levy and all present and future proceeds of the levy and that the security interest in and lien upon those rights, claims and interests is valid and binding from the time the Bonds are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to any claims, if any, of all other parties having claims of any kind in contract, tort or otherwise against the State, the Authority, the Board or the City, or any other person, irrespective of whether such other parties have notice of such lien or security interest.

(b) As provided by the Act and the Bond Resolution, all proceeds of the levy of taxes made by this 1980 Series D Tax Levy Ordinance shall be deposited by the county collectors of each county in which any taxable property in the City shall be located directly in the Debt Service Fund established with the Trustee by the Bond Resolution. The Bond Resolution provides that such amounts shall be applied solely for the payment and discharge of principal of the Bonds (at maturity or on sinking fund installment dates) and of interest on the Bonds as it falls due, or for redemption or purchase of Bonds as provided by the Bond Resolution, or for transfer to the Reserve Fund as provided by the Bond Resolution, and shall not be used for any other purpose.

SECTION 5. *Tax in Addition to and Separate from Other Taxes.* As provided by the Act, the taxes levied as provided in this 1980 Series D Tax Levy Ordinance shall be in addition to and exclusive of the maximum of all other taxes which the Authority, the Board of the City Council is now, or may hereafter be, authorized constitutionally or by law to levy for any and all school (or any other) purposes. The taxes so levied by this 1980 Series D Tax Levy Ordinance shall be separate and apart from all other taxes of the Authority, the Board and the City.

SECTION 6. *Bonds Not Obligations of City.* This 1980 Series D Tax Levy Ordinance is adopted in order to carry out the functions of the City Council as specified in the Act and the 1980 Series D Bonds shall not be deemed to constitute a debt or liability of the City, within the meaning of the Constitution and laws of the State, or a pledge of the full faith and credit of the City. The issuance of the 1980 Series D Bonds shall not directly, indirectly or contingently obligate the City to levy any form of taxation for the 1980 Series D Bonds or to make any appropriation for payment of the 1980 Series D Bonds, provided that this sentence does not affect the obligations of the City Council under the Act, the Bond Resolution, the 1980 Series D Resolution and this 1980 Series D Tax Levy Ordinance. The City shall not in any event be liable for the payment of principal, Redemption Price or interest on the 1980 Series D Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach of any such pledge, obligation or agreement may impose any liability upon the City or any charge upon its general credit or against its taxing power.

SECTION 7. *Allowance for Loss and Cost of Collection and Anticipated Deferred Collections.* The Act, the Bond Resolution and the 1980 Series D Resolution provide that in extending the taxes levied by this 1980 Series D Tax Levy Ordinance, the county clerks of each county in which any taxable property in the City is located shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied as is and shall be determined by the Authority pursuant to the Act, the Bond Resolution and the 1980 Series D Resolution. The 1980 Series D Resolution initially determines amounts to be so included in the extension of the taxes levied by this 1980 Series D Tax Levy Ordinance. The Bond Resolution and the 1980 Series D Resolution provide for those determinations to be modified by the Authority as provided in those Resolutions. No action of the City Council shall be required with respect to any such determination or modification of the determination of the allowance for loss and cost of collection and anticipated deferred collections for taxes to be extended in any year.

SECTION 8. *Covenants.* It is covenanted and agreed with the Holders (as defined in the Bond Resolution) of all Bonds issued under the Bond Resolution as follows:

(a) The City Council will not take any action to repeal, abate or reduce the taxes levied by this 1980 Series D Tax Levy Ordinance, or otherwise to restrict the extension and collection of those taxes, except upon the direction of the Authority to the extent expressly permitted by the Bond Resolution.

(b) Without limiting any provisions of this 1980 Series D Tax Levy Ordinance, the City Council will take any or all additional steps, make any or all additional directions and cause to be filed any or all additional documents as may be or may become necessary to cause to be levied and extended for collection a direct annual tax upon all taxable property within the City, being the school district named the Board of Education of the City of Chicago, sufficient to pay and discharge the principal of the 1980 Series D Bonds, at maturity or on sinking fund installment dates, and interest on the 1980 Series D Bonds as it falls due.

Section 9. *Conflict.* To the extent that any ordinances, resolutions or rules of the City Council are in conflict with this 1980 Series D Tax Levy Ordinance or its adoption, the provisions of this 1980 Series D Tax Levy Ordinance and its adoption shall be controlling.

Section 10. *Effectiveness.* This 1980 Series D Tax Levy Ordinance shall be effective and in force immediately upon its adoption.

SECTION 6. The appropriations herein made for personal services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be further limited to employment of personnel only as needed, or as may be required by law, not to exceed the specified maximum number designated in this ordinance for any office or position by title. The estimated cost of the construction of the Project is not less than $1,000,000, of which $1,000,000 will be provided by the issuance of the Series 1980 Bond hereinafter authorized and the loan of the proceeds thereof to the Company. It is hereby found and declared that the financing of the Project and the use thereof by the Company as hereinbefore provided and as provided in the Agreement is necessary to accomplish the public purposes described in the preamble hereto, and that in order to secure the Bonds, the assignment and pledge to the Bank of all right, title and interest of the Issuer in and to the Agreement and the Note and the guaranty by the Guarantor of the prompt payment of the principal installments of, premium, if any, and interest on the Series 1980 Bond pursuant to the Guaranty, are necessary and proper.

Authorization and Payment of Bond

SECTION 3. That for the purpose of financing a portion of the cost of the Project there shall be and there is hereby authorized to be issued by the Issuer its Industrial Revenue Bond, Series 1980 (Bluebird of Illinois, Inc. Project), in the principal amount of $1,000,000, dated the date of its delivery, lettered R and numbered 1, payable to the order of The First National Bank of Boston, or its assigns, maturing as to principal in installments on November 1 of the years and in the amounts as follows:

Year	*Annual Amount*
1984-1985, inclusive	$30,000
1986-1987, inclusive	50,000
1988-1994, inclusive	60,000
1995-2000, inclusive	70,000

and bearing interest from the date of the Series 1980 Bond on the unpaid principal balance thereof at the Tax-Exempt Rate (to the maximum extent permitted by law), payable on February 1, 1981, and on the first day of each February, May, August and November thereafter until paid, except as the provisions herinafter set forth with respect to redemption prior to maturity may become applicable thereto. Interest shall be computed on the basis of a calendar year of 360 days and charged on a daily basis.

Should a Final Determination of Taxability occur, principal installments of the Series 1980 Bond unpaid on the date of the Final Determination of Taxability shall bear interest from such date to maturity or prior redemption at the Taxable Rate (to the maximum extent permitted by law). As additional interest on the Series 1980 Bond upon a Final Determination of Taxability, the Issuer shall, within 60 days after receipt by the Company and the Issuer of notice of the Final Determination of Taxability, to the maximum extent permitted by Illinois law, also pay from the source and as hereinafter provided to the owner or former owner of the Series 1980 Bond, at the option of the Company, either (i) the difference between the aggregate amount of interest on the Series 1980 Bond paid at the Tax-Exempt Rate and the aggregate amount of interest which would have been payable to said owner or former owner of the Series 1980 Bond at the Taxable Rate during the period commencing on the Taxable Date and ending on the date of the Final Determination of Taxability, or (ii) the difference between the aggregate amount of interest on the Series 1980 Bond paid at the Tax-Exempt Rate and the aggregate amount of interest which would have been payable to said owner or former owner at a rate equal to the Tax-Exempt Rate divided by the remainder of one minus the marginal statutory rate of Federal income tax applicable to such owner for the period commencing on the Taxable Date and ending on the date of a Final Determination of Taxability (but excluding any portion of such period for which the applicable Federal income tax is uncollectible; provided, that such tax shall not be considered uncollectable for any period as to which an owner or former owner of the Series 1980 Bond has waived the running of a statute of limtations).

The Bank and any assignee of the Bank shall use its best efforts to give the Company and the Issuer prompt notice of any assessment, revenue agent's report or other official or legal notice or action challenging the tax exempt status of interest on the Series 1980 Bond, but failure of such owner or former owner of the Series 1980 Bond to give prompt notice will not relieve the Issuer of its obligation to pay said additional interest or interest at the Taxable Rate as herein provided. The Bank and any assignee of the Bank shall cooperate with the Company or the Guarantor in any challenge of an assessment or any suit for refund of taxes paid.

The principal installments of, premium, if any, and interest on the Series 1980 Bond shall be payable to The First National Bank of Boston or its assigns in lawful money of the United States of America at the principal office of the Depositary in the City of Boston, Massachusetts, or at such other location in the United States as shall be agreed upon by the Depositary and the Bank or any other owner of the Series 1980 Bond. The Bank shall note on the Payment Record attached as Schedule A to the Series 1980 Bond the date and amount of payment of each principal installment (whether at maturity or upon redemption or acceleration). premium, if any, and interest then being paid and of principal installments (whether at maturity or upon redemption or acceleration), premium, if any, and interest theretofore paid and not yet noted thereon, and upon request of the Company or the Issuer, the Series 1980 Bond shall be made available by the Bank or any other owner of the Series 1980 Bond for inspection by the Company or the Issuer at the principal office of the Bank in the City of Boston, Massachusetts. At least annually, the Depositary shall notify the Issuer of the payment of the principal installments of the Series 1980 Bond (whether at maturity or upon redemption or acceleration) and shall include in such notification a statement of the unpaid balance of the Series 1980 Bond.

The Series 1980 Bond, together with interest thereon, shall be a limited obligation of the Issuer secured by the Agreement and the Note and a guaranty by the Guarantor of the prompt payment of the principal installments of, premium, if any, and interest on the Series 1980 Bond pursuant to the Guaranty, and shall be payable solely from the revenues and receipts derived from the Agreement and the Note (except to the extent paid out of moneys attributable to the Series 1980 Bond proceeds, the income from the temporary investment thereof or payments on the Guaranty), and shall be a valid claim of the owner thereof only against the Bond Fund and other moneys held by the Depositary and the revenues and receipts derived from the Agreement and the Note, which revenues and receipts shall be used for no other purpose than to pay the principal installments of, premium, if any, and interest on the Series 1980 Bond and any Additional Bonds, except as may be expressly authorized otherwise in this Ordinance and in the Agreement. The Series 1980 Bond and the obligation to pay interest thereon does not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision, but shall be secured as aforesaid, and is payable solely from the revenues and receipts from the Agreement and the Note (except as stated aforesaid).

The Depositary, which is hereby appointed Bond Registrar of the Issuer shall keep and maintain books for the registration and transfer of Bonds. The Bonds shall be transferable only as a whole as provided herein. Upon surrender for transfer of the Bonds at the principal corporate trust office of the Depositary, duly endorsed for transfer or accompanied by an assignment duly authorized in writing, the Issuer shall execute and deliver new Bonds of the same series, maturities, interest rates, in the unpaid principal amounts of the Bonds thereby transferred, and shall be dated as of the next preceding interest payment date, or if issued on an interest payment date, as of such date. No Bond issued hereunder shall be so transferred without the transfer to the same transferee or assignee of all of the outstanding Bonds issued hereunder. The Depositary shall notify the Company of any such transfer.

The principal installments of the Series 1980 Bond shall be subject to redemption prior to maturity if the Company exercises its option to prepay the Note or a portion thereof pursuant to Section 7.1(a) of the Agreement, on any date, in whole, or in part by installment in the inverse order of maturity of the principal installments of Series 1980 Bond, at the redemption prices (expressed as percentages of the principal amount thereof being redeemed) set forth in the table below plus accrued interest to the date fixed for redemption:

November 1, 1983 through October 31, 1984	102%
November 1, 1984 through October 31, 1988	101%

If called for redemption as a result of such event, the principal installments of the Series 1980 Bond shall be subject to redemption at any time, in whole, at a redemption price of the outstanding principal amount of the Series 1980 Bond thereby being redeemed plus accrued interest to the date fixed for redemption, and without premium.

All principal installments of the Bond designated for prior redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the principal corporate trust office of the Depositary on such date.

The Series 1980 Bond may be prepared in typewritten, printed or engraved form.

The Series 1980 Bond shall be signed by the Mayor by her manual signature, attested by the manual signature of the City Clerk of the Issuer, and countersigned by the manual signature of the City Comptroller of the Issuer, and the corporate seal of the Issuer shall be affixed thereto. In case any official whose signature shall appear on the Series 1980 Bond shall cease to be such official before the delivery of the Series 1980 Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

In the event any Bond issued hereunder is mutilated, lost, stolen or destroyed, the Issuer may execute a new Bond of like date, tenor and maturity as that Bond mutilated, lost, stolen or destroyed; provided that, in the case such Bond is mutilated, such mutilated Bond shall first be surrendered to the Issuer, and in the case such Bond is lost, stolen or destroyed, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate, or shall cause the Depositary to duplicate, on the Payment Record of the new Bond replacing the mutilated, lost, stolen or destroyed Bond all payments of principal installments (whether at maturity or upon redemption or acceleration), premium, if any, and interest which the Issuer's (or the Depositary's) records indicate as having appeared on the mutilated, lost, stolen or destroyed Bond. In the event all the principal installments of such Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof. The Issuer may charge the owner of such Bond with reasonable fees and expenses in this connection.

This Bond and the obligation to pay interest hereon are limited obligations of the Issuer, secured as aforesaid and payable solely out of the revenues and receipts derived from the Agreement and the Note and otherwise as provided in the Ordinance and Agreement. This Bond and the obligation to pay interest hereon shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision. If called for redemption as a result of such event, the principal installments of this Bond shall be subject to redemption at any time, in whole, at a redemption price of the outstanding principal amount of this Bond thereby being redeemed plus accrued interest to the date fixed for redemption, and without premium.

One such event is the failure of the Issuer to pay from the source and as hereinbefore provided any principal installment of, premium, if any, or interest on this Bond when due and the continuation of such default for a period of 10 days. The Agreement and the revenues and receipts thereof, including all moneys received under its terms and conditions and the Note therein authorized, are to be sufficient to pay the principal installments of, premium, if any, and interest on the Bonds hereby authorized, and are hereby pledged and ordered paid into the Bond Fund, as specified in Section 7 hereof. The Series 1980 Bond is further secured by the Guaranty.

There is hereby created by the Issuer and ordered established with the Depositary a special fund to be designated "City of Chicago, Cook County, Illinois, Bond Fund (Bluebird Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal installments of, premium, if any, and interest on the Bonds or to redeem the principal installments of the Bonds prior to maturity.

There shall be deposited into the Bond Fund, as and when received, (a) a sum equal to the accrued interest paid by the purchaser of the Bonds, if any; (b) any amount remaining in the Construction Fund to the extent provided in Section 3.4 of the Agreement; (c) all payments on the Note; (d) all prepayments on the Note specified in Article VII of the Agreement; (e) all payments on the Guaranty; and (f) all other moneys received by the Depositary required to be deposited in the Bond Fund under and pursuant to any of the provisions of the Agreement, the Note, the Guaranty or the Depositary Agreement. The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall fully cooperate with the Bank and any other owner of the Bonds to the end of fully protecting the rights and security of the Bank and any other such owner. Nothing herein shall be construed as requiring the Issuer to operate the Project or to use any funds or revenues from any source other than funds and revenues derived from the Agreement and the Note (except as otherwise provided herein).

Any amounts remaining in the Bond Fund, after payment in full of the principal installments of, premium, if any, and interest on the Bonds and the charges and expenses of the Depositary, shall be paid to the Company, as provided herein and in Section 9.5 of the Agreement.

No delay or omission to exercise any right, power or remedy accruing upon any event of default hereunder shall impair any such right, power or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right, power or remedy may be exercised from time to time as often as may be deemed expedient.

All moneys received pursuant to any right given or action taken under the provisions of this Section or under the provisions of Article VI of the Agreement (after payments of the costs and expenses of the procedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Company or the Bank acting on its own behalf or on behalf of any other owner of the Bonds) or under the Guaranty, and all moneys in the Construction Fund at the time of the occurrence of an event of default hereunder shall be deposited in the Bond Fund and all such moneys in the Bond Fund shall be applied to the payment of the principal installments, premium, if any, and interest due and unpaid upon the Bonds to the person entitled thereto.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor, subject to attestation by the City Clerk, approval by the Commissioner of Aviation and the City Comptroller, and by the Corporate Counsel as to form and legality, is authorized to execute in behalf of the City of Chicago an International Terminal Facilities Agreement with United Airlines, Inc., for premises at Chicago-O'Hare International Airport, said agreement to be in the following form:

This Lease, made and entered into as of this ...., by and between the City of Chicago, a municipal corporation of the State of Illinois (hereinafter referred to as "City"), and United Airlines, Inc., a corporation organized and existing under and by virtue of the laws of Delaware (hereinafter referred to as "Airline").

WITNESSETH:

Whereas, City owns and operates the airport known as Chicago-O'Hare International Airport (a plat of said airport being attached as Exhibit A to the agreement of 1*, entitled and hereinafter referred to as the Airport Use Agreement, between City and Airline), situated in the County of Cook and the County of DuPage, State of Illinois (hereinafter, together with any additions thereto or enlargements thereof, whether or not made with corporate funds of City, Government Grants-in-Aid, Approved Revenue Bonds (as such term is hereinafter defined) or any other funds of any nature whatsoever, referred to as the "Airport"), with the power to lease premises and facilities and to grant rights and privileges with respect thereto all as hereinafter provided; and

The reimbursement charge for the Federal Inspection Area is subject to certain reductions during the entire term of the Lease, all as provided in Section 3.04. hereinafter.

1* "January 1, 1959," for the U. S. flag international carriers; "even date herewith" for foreign flag international carriers.

The City shall have the right to lease any part of the Federal Inspection Area during the term of this Lease to any of the Federal Inspection Agencies operating in such space. The effect of such lease or leases on reimbursement charges payable by Airline and other Airline Party or Parties shall be as provided in Section 3.04.

Section 1.05. *Use of Passenger Ramp Area.* In addition to having all rights to use Public Passenger Ramp Areas as provided in the current Airport Use Agreement, between City and Airline, Airline shall have the right to park aircraft on such areas, at gate positions which are adjacent to the International Terminal Building, as shown on Drawing Number 30, Area Assignment Drawings without additional charge of any kind being levied by City for such aircraft parking.

Section 1.06. *International Terminal Building Public Facilities.* City grants to Airline, its employees, agents, passengers, guests, patrons and invitees, and its or their suppliers of materials and furnishers of service, the right to use in common with others, subject to rules and regulations promulgated by City in accordance with Article VI hereof, all space, improvements, facilities, equipment and services (hereinafter referred to as the "International Terminal Building Public Facilities"), now or hereafter provided by City for public use at or in connection with the International Terminal Building, including, without limitation, public passenger walkways, public passenger loading facilities, public lobbies, public lounges, public waiting rooms, public hallways, stairways and escalators, public rest rooms and other public conveniences.

Public automobile parking areas at the Airport shall be made available for use of employees of Airline at a reasonable monthly rate and in locations to be determined by the Commissioner of Aviation. The foregoing shall not preclude City or its concessionaires from making and collecting a charge for the use of public automobile parking areas (subject, however, to the foregoing provisions respecting employee parking) or sightseeing facilities, or for the use of ground transportation to or from the Airport furnished by City or its concessionaires, or for the furnishing or sale by City or its concessionaires, to the public at the airport of services, insurance, food and merchandise, or preclude City from imposing any tax, permit or licensee fee not inconsistent with the rights and privileges granted to Airline hereunder.

Airline shall have the right to purchase or otherwise obtain property and services of any nature from any suppliers of its choice.

Section 1.08. *Use of premises on behalf of or by others.* Any of the premises leased to Airline under Section 1.01., 1.02., 1.03., or premises made available pursuant to Section 1.04., hereof may also be used, in whole or in part, by Airline on behalf of or in conjunction with any other Airline Party or Parties, in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in connection with its conduct of air transportation. Airline shall also be entitled to sublease any of such premises, in whole (subject to the prior approval of City) or in part, to any other Airline Party or Parties, for use in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in conection with its conduct of air transportation. In case of any use of any of such premises by Airline on behalf of or in conjunction with any other Airline Party or Parties, or in case of any sublease of any of such premises to any other Airline Party or Parties, Airline shall remain liable for its obligations hereunder and the rights and privileges granted hereunder to Airline, its employees, agents, passengers, guests, patrons and invitees and its or their suppliers of materials and furnishers of service shall, to the same extent, be granted with respect to such premises to such other Airline Party or Parties, and its or their employees, agents, passengers, guests, patrons and invitees, suppliers of materials and furnishers of service.

Notwithstanding the foregoing provisions of this Section 1.08., no use of any of the premises leased to Airline under Section 1.01., 1.02., or 1.03., hereof may be made by Airline on behalf of or in conjunction with any other Airline Party or Parties, and no sublease of any part of such premises may be made by Airline to any other Airline Party or Parties, except in each case with the consent of the Commissioner of Aviation, if such use or sublease involves payment to Airline by any such other Airline Party or Parties, of any amount greater than Airline's expense with respect to the premises, facilities and building maintenance services used by, furnished to or subleased to such other Airline Party or Parties.

ARTICLE II

Term

The term of this Lease shall be for a period commencing on .... the day of authorizing ordinance by the City Council of the City of Chicago and ending on December 31, 1984. It is understood and agreed that notwithstanding the above term, either party may cancel and terminate this agreement by sixty (60) days notice to the other party in writing of this election so to do.

ARTICLE III

Rentals and Charges

Section 3.03. *Rental Payable by Airline or Airline Inbound Joint Space.* Commencing on the date hereof, and thereafter during the term of this Lease, Airline shall pay to City, as rental for Airline Inbound Joint Space, its pro rata share of a monthly rental of One Thousand Four Hundred Thirty-Four and No/100 Dollars ($1,434.00) computed as follows:

(a) Twenty percent (20%) thereof shall be distributed equally among Airline and other Airline Party or Parties leasing such space in common; and

(b) Eighty percent (80%) thereof shall be distributed among Airline and such other Airline Party or Parties in the proportion that the number of passengers deplaned by Airlines at the International Terminal Building during the month second preceding the month for which such billing is rendered bears to the total number of passengers so deplaned by Airline and such other Airline Party or Parties.

Section 3.04. *Charge Payable by Airline for Federal Inspection Area.* Commencing on the date hereof, and thereafter during the term of this Lease, Airline shall pay to City its pro-rata share of a monthly reimbursement charge for the availability of the Federal Inspection Area of Thirty Nine Thousand Nine Hundred and No/100 Dollars ($39,900.00), subject to adjustment as hereinafter provided, computed as follows:

(a) Twenty percent (20%) thereof shall be distributed equally among Airline and other Airline Party or Parties; and leasing space in the International Terminal Building; and

(b) Eighty percent (80%) thereof shall be distributed among Airline and such other Airline Party or Parties in the proportion that the number of passengers deplaned by Airline at the International Terminal Building, and using the Federal Inspection Area, during the month second preceding the month for which such billing is rendered bears to the total number of passengers so deplaned by Airline and such other Airline Party or Parties.

The City shall lease or issue a permit covering the use of the Federal Inspection Area or so much thereof as is possible to the United States as soon as the United States or any of the Federal Inspection agencies thereof are willing and legally empowered to lease or otherwise hire such space or the use thereof at a rental rate or fee equal or as close as possible to the City's reimbursement charge for such space as provided in Article III hereof.

City shall assess and collect from all aircraft operators using the Federal Inspection Area (other than Airline Party or Parties paying a pro-rata share of the aforesaid monthly reimbursement charge and other than aircraft operators who are being handled by and whose passengers are being processed by such an Airline Party or Parties), a use charge for each of their passengers and crew inspected in the Federal Inspection Area. Such charge, however, shall be subject to establishment by ordinance by City after consulting with and giving due consideration to suggestions by the International Airlines Representative; so that such charge as far as practicable may not be less than the estimated equivalent average charge paid by the aforesaid Airline Party or Parties for each of their passengers inspected in the Federal Inspection Area.

The monthly reimbursement charge payable by the Airline Party or Parties shall be reduced by such amounts, hereinabove referred to, as shall be collected by the City from (a) the United States Government for use of the Federal Inspection Area, and (b) the aforesaid aircraft operators, by giving credit as soon as practicable after such receipts.

If a Terminal Use Charge per aircraft is in effect for such other aircraft operators, pursuant to City ordinance, in lieu of Federal Inspection Area use charge per person, the total Federal Inspection Area reimbursement charge shall be reduced by that portion of each such use charge collected in the month second preceding the month of billing, which represents the average individual aircraft cost of using such Federal Inspection Area by aircraft of any other Airline Party or Parties leasing space in the International Terminal Building, during the previous Fiscal Year, but in no event shall more than the whole of any such charge be credited.

Section 3.05. *International Terminal Adjustment Charge.* In addition to all other sums payable hereunder, Airline agrees to pay, from the date hereof, its pro-rata share of an International Terminal Adjustment Charge of Twenty-Five Thousand Nine Hundred Forty-Eight and No/100 Dollars ($25,948.00) per month, such pro-rata share to be computed as follows:

(a) Twenty percent (20%) thereof shall be distributed equally among Airline and other Airline Party or Parties leasing space in the International Terminal Building, except that airlines conducting arrival operations only shall pay one-half share while airlines conducting both arrival and departure operations shall pay one full share;

(b) Eighty percent (80%) shall be distributed among Airline and such other Airline Party or Parties in the proportion that the number of passengers enplaned and deplaned by Airline at the International Terminal Building during the month second preceding the month for which such billing is rendered bears to the total number of passengers so enplaned and deplaned by Airline and such other Airline Party or Parties.

In the event that the Commissioner of Aviation and International Airlines Representative agree to allow aircraft operators other than Airline Party or Parties to use either Airline Outbound Joint Space or Airline Inbound Joint Space or both, and if at the time a Terminal Use Charge per aircraft is in effect for such other aircraft operators pursuant to City ordinance, the total International Terminal Adjustment Charge shall be reduced by that portion of each such use charge collected in the month second preceding the month of billing, which represents the average individual aircraft cost of using such joint space by aircraft of all Airline Party or Parties leasing space in the International Terminal Building during the previous Fiscal Year, but in no event shall more than the whole of any such charge be credited.

Section 3.06. *Provisions Relating to Airline Joint Charges.* Airline shall prepare the necessary passenger statistics required by the Commissioner of Aviation and City Comptroller, to compute the proportion of joint space rentals and charges under this Article III, which shall be reported monthly, as directed by the Commissioner of Aviation and City Comptroller, not later than the tenth day of the month for which the statistics are prepared, which is the second month preceding the month for which billing is rendered, e.g., June statistics are the basis for August joint space billings. City shall then prepare and submit to Airline and other Airline Party or Parties involved monthly invoices for the following month's charges, setting forth their respective pro rata share of such rentals and charges.

When an Airline Party or Parties begins operations at the International Terminal Building after the date hereof, the eighty percent (80%) share of Airline Joint Charges referred to in each of Sections 3.03., 3.04., and 3.05., shall be computed for the third month by giving double weight to such Airline's passenger statistics of the first month, and shall be computed for the fourth month by giving double weight to such Airline's passenger statistics of the second month.

Airline shall be responsible only for the payment of the amounts prorated and billed to it in accordance with the provisions of Section 3.03., 3.04., and 3.05., and shall not be responsible for any part of amounts prorated and billed to any other Airline Party or Parties.

In the event the Lease of any other Airline Party or Parties leasing space or paying charges in common with Airline pursuant to Sections 3.03., 3.04., or 3.05., shall be terminated and such Airline is no longer using such space, the total monthly rental therefor shall be prorated, effective, as of the first day of the next succeeding calendar month, among the other Airline Party or Parties obligated to pay a pro rata share of the said rental.

The proration formulas set forth in Section 3.03., 3.04., and 3.05., may be revised with approval of the Commissioner of Aviation by notice through the

International Airlines Representative to the Commissioner of Aviation and City Comptroller, from time to time by a majority of the Airline Party or Parties paying a pro rata share of the rent and charges for the space to which the formula in question applies. Such majority shall mean a numerical majority, which majority must also have had deplaned in the case of Section 3.03., and 3.04., and enplaned plus deplaned in the case of Section 3.05., a majority of the passengers at the International Terminal Building during the most recent six-month period for which such information is available.

Section 3.07. *Pay of Rentals and Charges.* Airline shall pay to City at the office of City Comptroller of City on or before the first calendar day of each month for which such rental and charges are payable Airline's pro rata share of Airline Inbound Joint Space Rental, Federal Inspection Area Reimbursement Charge, and International Terminal Adjustment Charge in accordance with the provisions of Section 3.03., 3.04., and 3.05., respectively. Any rental or charge payable by Airline hereunder which is not paid when due shall bear interest at the rate of seven percent (7%) per annum from the due date thereof until paid.

Article IV

Construction, Maintenance and Repair by Airline

Section 4.01. *Construction, maintenance and repair in exclusive and joint space in International Terminal Building.* Airline may construct or install, at its own expense, any equipment, improvements and facilities, and any additions thereto, in all or any part of Airline's Exclusive Terminal Building Space, Airline Outbound Joint Space, and Airline Inbound Joint Space. All such construction or installation shall be made after obtaining any requisite building or construction licenses or permits. Plans and specifications of any proposed construction or installation of improvements and facilities (including any substantial alteration or addition thereto) shall be submitted to and receive the approval of the Commissioner of Aviation prior to the commencement of construction or installation. Any advertising signs installed by Airline shall be limited to those which advertise air transportation, and the number, general type, size, design and location of such signs shall be subject to the approval of the Commissioner of Aviation.

Airline shall keep and maintain all such improvements and facilities and additions thereto constructed or installed by it in good condition and repair. No restrictions shall be placed upon Airline as to the architects, builders or contractors who may be employed by it in connection with any construction, installation, alteration, repair or maintenance of any such improvements, facilities and additions.

Airline shall have the responsibility for keeping Airline's Exclusive Terminal Building Space, and together with the other Airline Party or Parties shall have the responsibility for keeping Airline Outbound Joint Space, Airline Inbound Joint Space, and the Federal Inspection Area (except to the extent that Federal Inspection Agencies may have assumed such responsibility) in a sanitary and sightly condition, in accordance with regulations which may be issued on this matter from time to time by the Commissioner of Aviation pursuant to Article VI hereof.

Section 4.02. *Covenant against liens.* Airline shall keep Airline's Exclusive Terminal Building Space, Airline Outbound Joint Space, and Airline Inbound Joint Space and the installations situated thereon free and clear of any and all liens in any way arising out of the construction, improvement or use thereof by Airline; provided, however, that Airline may in good faith contest the validity of any lien.

Section 4.03. *Performance by City upon failure of Airline to maintain.* In the event Airline fails to perform for a period of thirty (30) days after notice from City so to do any obligation required by this Article IV to be performed by Airline, City may enter the premises involved (without such entering, causing or constituting a termination of this Lease or an interference with the possession of said premises by Airline) and do all things necessary to perform such obligation, charging to Airline the cost and expense thereof, and Airline agrees to pay City such charge in addition to any other amounts payable by Airline hereunder; provided, however, that if Airline's failure to perform any such obligation endangers the safety of the public or employees of City, and City so states in its notice to Airline, City may perform such obligation of Airline at any time after giving of such notice and charge to Airline, and Airline shall pay, as aforesaid, the cost and expense of such performance.

Article V

Maintenance, Operation and Repair by City

Section 5.01. *Maintenance and operation.* City shall operate and maintain, in all respects in a manner consistent with that of a reasonably prudent operator of an airport, and keep in good condition and repair, the International Terminal Building and all additions, improvements, facilities and equipment now or hereafter provided by City at or in connection with the International Terminal Building. City shall keep the International Terminal Building, except Airline's Exclusive Terminal Building Space, Airline Outbound Joint Space, Airline Inbound Joint Space, Federal Inspection Area, and concession and other rented space, in a sanitary and sightly condition.

City shall maintain and keep in good repair Public Passenger Ramp Area adjacent to the International Terminal Building (including the removal therefrom of snow and foreign matter) so as to permit the efficient taxiing, servicing, and loading and unloading of aircraft operated by Airline agrees to take such action as the Commissioner of Aviation may reasonably request in order to enable the City to comply with this provision.

City shall at all times maintain the International Terminal Building Public Facilities so as to provide for reasonably unobstructed use thereof by passengers and invitees and shall keep such facilities adequately supplied, equipped (including directional signs), furnished and decorated.

City shall supply heat, water and sewerage facilities for the International Terminal Building Public Facilities, and Airline's Exclusive Terminal Building Space, Airline Outbound Joint Space, Airline Inbound Joint Space, and Federal Inspection Area, shall supply air conditioning in the International Terminal Building Public Facilities and in that portion of the Airline's Exclusive Terminal Building Space, Airline Outbound Joint Space, Airline Inbound Joint Space, and Federal Inspection Area which according to the plans and specifications on file in the office of the Commissioner of Public Works is to be air conditioned, shall supply adequate electric power for normal use and light in all such Facilities and Space, except in Airline's Operations Space, shall supply electric power lines for normal use adjacent to Airline's Operations Space, and shall supply janitor service in the International Building Public Facilities, which janitor service shall be of a character satisfactory to those scheduled air transportation companies who at the time are lessees of a majority of the space in the International Building which is leased to scheduled air transportation companies; provided, however, that Airline shall be required to pay to City a reasonable charge for water supplied by City to Airline's Operations Space.

Section 5.02. *Taxes on leased premises.* City shall pay any and all taxes or special assessments which may be levied or assessed upon the premises leased hereunder; provided, however, that the foregoing shall not apply to any taxes on any personal property or leasehold of Airline located on such premises.

Section 5.03. *Enjoyment of rights and privileges.* City agrees that Airline, performing its obligations hereunder, shall be entitled to and shall have the possession and enjoyment of the premises, facilities, rights and privileges leased to it hereunder, subject, however, to the provisions hereof.

Section 5.04. *Concessionaires.* In the event any concessionaire selected by City for the purpose of operating any concession at or in connection with the International Terminal Building shall not operate such concession in a satisfactory and efficient manner, or in the event City shall fail to select a concessionaire for the purpose of furnishing necessary or desirable services or products to the public at or in connection with the International Terminal Building, City shall, upon request of those scheduled air transportation companies who at the time are lessees of a majority of the International Terminal Building which is leased to schedule air transportation companies, use its best effort to correct such situation, including, if and so long as required, the selection of another concessionaire, provided that City has the authority so to do under the terms of the applicable concession agreement.

City agrees that it will not, during the term of this Lease, either lease or otherwise permit the use of any space, area or facility in any terminal building or otherwise upon the Airport, by way of a concession or otherwise, to any individual, partnership, or corporation engaged in business as a travel agent or travel bureau for the purpose of selling, furnishing or delivering tickets available from any Airline Party or Parties for transportation by air.

Section 5.05. *Performance by Airline upon failure of City to maintain and operate.* In the event City fails to perform, for a period of thirty (30) days after notice from Airline so to do, any obligation required by this Article V to be performed by City, Airline may perform such obligation of City and bill City for the cost to Airline of such performance; provided, however, that if City's failure to perform any such obligation endangers the safety of Airline's operation at the Airport and Airlines so states in its notice to City, Airline may perform such obligation of City at any time after the giving of such notice and bill City for its cost of such performance. City, however, shall not be liable to Airline for any loss of revenues to Airline resulting from any of City's acts, omissions or neglect in the maintenance and operation or otherwise by it of the Airport or any facilities now or hereafter connected therewith.

ARTICLE VI

Rules and Regulations

Airline shall observe and obey all rules and regulations governing the conduct and operation of the Airport, promulgated from time to time by City, which are reasonably required for the prudent and efficient operation of the Airport and are not inconsistent with the reasonable exercise by Airline of any right or privilege granted to it hereunder or under any other agreement between Airline and City relating to the Airport or any part thereof, nor inconsistent with safety nor with the rules and regulations of any Federal or State agency having jurisdiction with respect thereto, nor inconsistent with the procedures prescribed or approved from time to time by the Federal Aviation Administration or any other governmental authority having jurisdiction over operations at the Airport.

The City shall keep Airline supplied with five (5) sets of City's current Airport rules and regulations applicable to Airline. Except in cases of emergency, no such rule or regulation shall be applicable to Airline unless it has been given fifteen (15) days notice of the adoption thereof.

City, however, shall have no control over the rates, fares or charges that Airline may prescribe in connection with its conduct of an air transportation business.

ARTICLE VII

Nothing contained herein shall impair the right of City in the exercise of its governmental functions to require Airline to pay any tax or inspection fees or to procure necessary permits or licenses, provided such requirement is not inconsistent with the rights and privileges granted to Airline hereunder.

Nothing contained herein shall be deemed to be the grant of any franchise, license, permit or consent to Airline to operate motor coaches, buses, taxicabs or other vehicles carrying passengers or property for hire or other consideration over the public ways to and from the Airport.

ARTICLE VIII

Indemnity and Insurance

Airline agrees to indemnify and hold City harmless from and against all liabilities, judgments, costs, damages and expenses which may accrue against, be charged to or recovered from City by reason or on account of damage to the property of City or the property of, injury to or death of any person, arising from Airline's use and occupancy of and operations at the Airport, incuding acts of its agents, contractors and subcontractors, except when caused by City's sole negligence or by the joint negligence of City and any person other than Airline, its agents, contractors and subcontractors; provided that City shall give Airline prompt and timely notice of any claim made or suit instituted which, in any way, affects Airline or its insurer, and Airline or its insurer shall have the right to compromise and defend the same to the extent of their own interests. Any final judgment rendered against City for any cause for which Airline is liable hereunder shall be conclusive against Airline as to liability and amount.

Airline shall, at its own expense, keep in force insurance of the following types and in not less than the following amounts, issued by a company, companies or insurers whose sound and adequate financial responsibility shall be satisfactory to the City Comptroller, insuring Airline and City against all liabilities for accidents arising out of or in connection with Airline's use and occupancy of and operations at the Airport, except when caused by City's negligence alone or jointly with any person other than Airline, its agents, contractors and subcontractors, and shall furnish to City certificates evidencing such insurance, naming City as an additional assured thereunder, subject to the limitations set forth above in respect of City's negligence, to-wit:

If pursuant to any other agreement between Airline and City, Airline is complying with requirements indentical with those of this Article, such compliance shall also serve as compliance with the requirements of this Article.

ARTICLE IX

Abatement

Section 9.01. *Abatement in event of closing.* In the event that the Airport shall be closed for any period of time by any order or direction of City or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction, the rentals provided herein as payable by Airline shall abate for the period of such closing, or for the period of abatement of rentals for Airline Parties signatory to the Lease of Terminal Facilities dated January 1, 1959, due to such closing, whichever period is the shorter.

In the event the Airport shall be so closed for the landing or taking off of all turbo jet powered aircraft operated by Airline Party or Parties, which at the time are landing or taking off, in the course of normal operations, at one or more airports having facilities similar to those at the Airport, but shall not be closed to the landing or taking off of other aircraft operated by any Airline Party or Parties, then fifty percent (50%) of the rentals provided herein as payable by Airline shall abate for the period of such closing, or for the period of abatement of rentals for Airline Parties signatory to the Lease of Terminal Facilities dated January 1, 1959, due to such closing, which ever period is the shorter, but in no event for more than six (6) months for a single closing, in any fiscal year.

(d) The default by City in the performance of any covenant or agreement required to be performed by City herein or in any other agreement between City and Airline relating to the Airport or any part thereof, and the failure of City to remedy such default, within a period of sixty (60) days after receipt from Airline of notice to remedy same.

Upon the exercise of this right of termination, all agreements and leases entered into between Airline and City relating to this Airport shall likewise stand terminated.

No waiver by Airline of default of any of the terms, covenants or conditions hereof, or of any other agreement between City and Airline relating to the Airport or any part thereof, to be performed, kept and observed by City shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants and conditions.

SECTION 2. In order to promote the general welfare of the City and its inhabitants by eliminating and preventing slum conditions and urban blight and by increasing the City's ad valorem tax base, the Development is authorized to be financed as described herein. A portion of the total estimated cost of the Development will be financed by the issuance of the Bonds hereinafter authorized and the loan of a portion of the proceeds thereof to the Mortgagor pursuant to the Building Loan Agreement and the Indenture. It is hereby found and declared that the financing of the Development and the use of the Development by the Mortgagor and the Developer is necessary to accomplish the public purposes described herein and in the preambles hereto, and, that in order to further secure the Bonds, the mortgaging of the Development by the Mortgagor to the Trustee, as the mortgagee of record, pursuant to the Mortgage and the assignment by the City to the Trustees of certain of its rights and interests under the Mortgage Loan pursuant to the Indenture is necessary and proper.

SECTION 3. For the purpose of financing a portion of the cost of the Development, the City does hereby authorize the issuance of the Bonds to be designated as follows: City of Chicago, Cook County, Illinois, Presidential Towers Housing Revenue Bonds (FHA Insured Mortgage), Series A, in the aggregate principal amount of not to exceed $170,000,000. The Bonds shall be issued in the forms and denominations set forth in the Indenture and shall be dated and numbered as provided in the Indenture. The Bonds shall be issued before June 29, 1981, or such later date as may be approved by subsequent ordinance. The Bonds shall mature as provided in the Indenture, but not later than December 1, 2026, shall bear interest payable semi-annually at the coupon rate or rates specified in the Indenture not to exceed 11.00% per annum, shall be subject to redemption prior to maturity upon the terms and conditions set forth in the Indenture and shall be sold to the underwriters at a price of not less than 97% of the aggregate principal amount thereof plus accrued interest thereon from the date of the Bonds to the Closing Date (as defined in the Bond Purchase Agreement). The Mayor or the City Comptroller are hereby authorized and directed to enter into an agreement with the Representatives in order to establish, subject to the foregoing limitations, the exact interest payment dates (which shall be semi-annual), interest rates, maturities, redemption terms, and sales prices of the Bonds. In fixing the interest rates, the Mayor or the Comptroller shall take into account the then prevailing interest rates for comparable securities. The amortization of the Bonds shall be on a level debt service basis or other method of amortization consistent with the amortization of the Mortgage Note. The Bonds shall not be issued unless (1) the Bonds receive at least an "AA" rating or a provisional or conditional "AA" rating or the equivalent from one of the nationally recognized rating agencies and (2) a final commitment for insurance of the Mortgage has been obtained from FHA.

SECTION 4. The Bonds together with interest thereon, shall be limited obligations of the City secured by the Mortgage Loan and payable solely from the revenues and receipts derived from the Mortgage Loan and the Indenture (except to the extent paid out of moneys attributable to the Bond proceeds, FHA insurance, the Debt Service Funds or the income from the temporary investment thereof), and shall be a valid claim of the owner thereof only against the funds and other moneys held by the Trustee and the revenues and receipts derived from the Mortgage Loan and the Indenture. The Bonds and interest thereon shall not be deemed to constitute a debt or liability of the United States of America, the City, the State of Illinois or any political subdivision thereof, and their issuance shall not, directly or indirectly or contingently, obligate the City or any political subdivision thereof to levy any form of taxation therefor or to make any appropriation for their payment. Nothing in the Bonds or in the Indenture or the proceedings of the City authorizing the issuance of the Bonds or in this ordinance shall be construed to authorize the City to create a debt of the City or any political subdivision thereof within the meaning of any constitutional or statutory provision of the State of Illinois. The nature of the obligation represented by the Bonds is as more fully set forth in the Indenture.

SECTION 5. The Bonds shall be executed on behalf of the City in the manner provided in the Indenture. If any of the officers who shall have signed or sealed any of said Bonds shall cease to be such officers of the City before the Bonds so signed and sealed shall have been actually authenticated by the Trustee or delivered by the City, such Bonds nevertheless may be authenticated, issued and delivered with the same force and effect as though the person or persons who signed or sealed such Bonds had not ceased to be such officer or officers of the City; and also any such Bonds may be signed and sealed on behalf of the City by those persons who, at the actual date of the execution of such Bonds, shall be the proper officers of the City, although at the nominal date of such Bonds any such person shall not have been such officer of the City.

SECTION 6. The Indenture is hereby approved in substantially the form attached hereto as Exhibit A and the Mayor or the Comptroller of the City is hereby authorized and directed to execute, acknowledge and deliver the Indenture, attested by the City Clerk or Deputy City Clerk, with such changes therein as shall be approved by such persons executing such document, their execution to constitute conclusive evidence of such approval, and the City Clerk or Deputy City Clerk is hereby authorized and directed to affix to the Indenture the corporate seal of the City. The Trustee, on behalf of the City, is further authorized and directed to execute the Building Loan Agreement and such other instruments, agreements and documents as may be required by HUD or FHA in connection with the Mortgage Loan or the insurance of the Mortgage.

SECTION 7. As security for the payment of the Mortgage Note and the principal installments of and interest on the Bonds, the Mortgagor will execute and deliver the Mortgage, which shall be insured by FHA under Section 220 of the National Housing Act and in the form approved by FHA. The Mortgagor will cause the Mortgage to be recorded in the mortgage records of the office of the Recorder of Deeds of Cook County, Illinois.

SECTION 8. The Bond Purchase Agreement is hereby approved in substantially the form attached hereto as Exhibit B, and the Mayor or Comptroller of the City are hereby authorized and directed upon receipt of the executed Developer Agreement to execute and deliver the Bond Purchase Agreement on behalf of the City with such changes and completions therein with respect to interest payment dates, interest rates, maturities, redemption provisions and the sales prices of the Bonds (subject to the limitations set forth in Section 3 hereof) and other matters as shall be approved by such person executing the document, such execution to constitute conclusive evidence of such approval, and the sale of the Bonds pursuant to the Bond Purchase Agreement is hereby authorized, approved and directed. The acceptance by the City of the Inducement Letter (in the form attached hereto as Exhibit C) is hereby ratified and approved.

SECTION 9. The Developer Agreement is hereby approved in substantially the form attached hereto as Exhibit D, and the Mayor or the Comptroller of the City is hereby authorized and directed to execute, acknowledge and deliver the Developer Agreement, attested by the City Clerk or Deputy City Clerk, with such changes therein as shall be approved by such persons executing such document, their execution to constitute conclusive evidence of such approval, and the City Clerk or Deputy City Clerk is hereby authorized and directed to affix to the Developer Agreement the corporate seal of the City, provided, however, that no changes shall be made in the Developer Agreement without the prior approval of the City Council. The proper officials of the City are further authorized to take all action necessary to cause the Developer and the Mortgagor to comply with the requirements set forth in the Developer Agreement.

SECTION 10. The Mayor or the Comptroller is hereby authorized and directed to prepare, execute and deliver an Official Statement for and on behalf of the City pursuant to the Bond Purchase Agreement.

SECTION 11. The appointment of American National Bank and Trust Company of Chicago as Trustee under the Indenture is hereby authorized, approved and confirmed.

SECTION 12. The Mayor, Comptroller, City Clerk and Deputy City Clerk for and on behalf of the City be, and each of them hereby is, authorized and directed to do any and all things necessary to effect the performance of all obligations of the City under and pursuant to this ordinance, the advancement of the Mortgage Loan, the execution and delivery of the Bonds and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this ordinance. The Mayor, Comptroller, City Clerk and Deputy City Clerk be, and they are hereby, further authorized and directed for and on behalf of the City, to execute all documents, certificates and other instruments that may be required under the terms of the Bond Purchase Agreement, the Developer Agreement or the Indenture or that may be required for the carrying out of the authority conferred by this ordinance or to evidence said authority and to exercise and otherwise take all necessary action to the full realization of the rights and purposes of the City under the Bond Purchase Agreement, the Developer Agreement and the Indenture and to discharge all of the obligations of the City hereunder and thereunder.

SECTION 13. If any section, paragraph, clause or provision of this ordinance shall be ruled by any court of competent jurisdiction to be invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions hereof.

SECTION 14. To the extent that any statutes, or ordinances, resolutions or orders of the City, or parts thereof, are in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling.

SECTION 15. This ordinance shall be made available to the public by the City Clerk, in appropriate form, upon request, at the office of the City Clerk City Hall, Chicago, Illinois. Copies are to be made available in the office of the City Clerk for public inspection to members of the public who may wish copies of this ordinance.

SECTION 16. This ordinance shall be in full force and effect upon its adoption and approval.
